Township of Prince Management's Responsibility for Financial Reporting

December 31, 2019

The accompanying consolidated financial statements of the Township of Prince and all the information in this annual report are the responsibility of management and have been approved by the Mayor and CAO / Clerk-Treasurer on behalf of Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The municipality maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the municipality's assets are appropriately accounted for and adequately safeguarded.

The municipal Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the ratepayers and inhabitants of the municipality. The accompanying independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the municipality's consolidated financial statements.

Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers of the Township of Prince Opinion

We have audited the consolidated financial statements of Township of Prince (the Township) which comprise the consolidated statement of financial position as at December 31, 2019, and the consolidated statements of operations, changes in net financial assets, and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Township as at December 31, 2019 and its consolidated results of operations, its consolidated change in net financial assets and its consolidated cash flows for the year then ended in accordance with the Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Township in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Township's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Township or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Township's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements
Our objectives are to obtain reasonable assurance about whether the consolidated financial
statements as a whole are free from material misstatement, whether due to fraud or error, and
to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of
assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally
accepted auditing standards will always detect a material misstatement when it exists.
Misstatements can arise from fraud or error and are considered material if, individually or in the
aggregate, they could reasonably be expected to influence the economic decisions of users taken
on the basis of these consolidated financial statements.

Independent Auditor's Report (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Township's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Township to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Township to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Township of Prince Notes to Consolidated Financial Statements

December 31, 2019

Summary of significant accounting policies

The consolidated financial statements of the municipality have been prepared in accordance with Canadian public sector accounting standards, as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

Basis of Consolidation These consolidated financial statements reflect the assets, liabilities, sources of financing and expenditures of all municipal organizations. committees and boards which are owned or controlled by the municipality, including the following:

Prince Township Library Board

Prince Township Parent/Child Resource Centre

Prince Township Museum Board

Cash and Cash **Equivalents**

Management considers all highly liquid investments with maturity of three months or less at acquisition to be cash equivalents.

Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straightline basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:

Land improvements	20 to 25 years
Buildings	20 to 40 years
Machinery and equipment	3 to 20 years
Vehicles	4 to 20 years
Furnishings and fixtures	5 to 20 years
Infrastructure - bridges, culverts & streetlights	25 to 75 years
Infrastructure - road bases	40 years
Infrastructure - road paved surface	25 years

Behalf of Other Taxation Authorities

Collection of Taxes on The municipality collects taxation revenue on behalf of other entities. Such levies, other revenues, expenses, assets and liabilities with respect to the operations of these other entities are not reflected in these consolidated financial statements.

Trust Funds

Funds held in trust by the municipality and their related operations are not included in these consolidated financial statements. The financial activity and financial position of the trust funds are reported separately.

Retirement Benefits and Other Employee **Benefit Plans**

The municipality provides pension benefits to specified employees through the Ontario Municipal Employees Retirement Fund (OMERS), a multi-employer plan. The municipality's contributions due during the period are expensed as incurred. The municipality provides other post-employment benefits. These costs accumulate over the period of service provided by employees and are determined using management's best estimates.

Township of Prince Consolidated Summary of Significant Accounting Policies

December 31, 2019

Summary of significant accounting policies (continued)

Deferred Revenue

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the consolidated statement of financial position. The revenue is recognized in the consolidated statement of operations in the year in which it is used for the specified purpose.

Government Transfers Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Revenue Recognition

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.

Conditional grant revenue is recognized to the extent the conditions imposed on it have been fulfilled. Unconditional grant revenue is recognized when monies are receivable.

Grants for the acquisition of tangible capital assets are recognized in the period in which eligible expenditures are made.

Sales of service and other revenue is recognized on an accrual basis.

Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

Post employment and retirement benefits

The municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of eligible members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The municipality's contributions to OMERS equal those made by the employees. During the year, the municipality contributed \$31,372 (2018 - \$33,114) to the plan. As this is a multi-employer pension plan, these contributions are the municipality's pension benefit expense. Contribution amounts are determined by OMERS which adjusts rates to reflect actuarial requirements. Any surplus or deficit of the pension plan is not included in the municipality's financial statements.

The municipality's employees accumulate unused sick days and may become entitled to a cash payment when they leave the municipality's employment. The cost of the benefits is determined using management's best estimate.

The liability for these accumulated days, amounted to \$- (2018 - \$-) at the end of the year.

6. Trust funds

Trust funds administered by the Township amounting to \$71,867 (2018 - \$69,034) have not been included in the "Consolidated Balance Sheet" nor have their operations been included in the "Consolidated Statement of Operations".

Township of Prince Notes Consolidated to Financial Statements

December 31, 2019

7. Credit facility

The municipality has established a \$300,000 bank operating line of credit bearing interest at prime and secured by a general security agreement. As at December 31, 2019, a balance of NIL was outstanding on this credit facility.

8. Contingencies and commitments

Legal claims

A claim has been made against the Township related to a personal injury. No provision has been recorded in these financial statements as the outcome is not determinable. Any loss resulting from the resolution of the claim will be charged to operations in the year of resolution.

9. Public Sector Salary Disclosure Act

For Township of Prince, no employees were paid salaries, as defined in the Public Sector Salary Disclosure Act, 1996 of \$100,000 or more.

10. Segmented information

The municipality is a diversified local government institution that provides a wide range of services to its citizens. For management reporting purposes, municipal operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Municipal services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

General government

The administration department oversees the delivery of all government services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of council.

Protection

Protection is comprised of the police, fire/emergency, by-law enforcement and building inspections departments. The mandate of the police department is to ensure the safety of the lives and property of citizens; preserve peace and good order; prevent crimes from occurring; detect offenders; and enforce the law. The fire/emergency department is responsible to provide fire suppression service; fire prevention programs; training and education related to prevention, detection or extinguishment of fires. The by-law enforcement and building inspection department ensures properties are in compliance with applicable legislation, by-laws, building standards and construction codes.

Township of Prince Notes Consolidated to Financial Statements

December 31, 2019

10. Segmented information (continued)

Transportation

The transportation department is responsible for the delivery of municipal public works services related to the planning, development and maintenance of roadway systems, winter control and street lighting.

Environmental

The environmental department consists of solid waste disposal. The department provides drinking water to ratepayers, collecting and treating wastewater, and providing garbage collection and waste minimization programs and facilities for solid waste disposal.

Health

Through the Algoma Health Unit, the municipality contributes to public health services and education and through the Algoma District Services Administration Board, to ambulance services. In addition, this department oversees the care and maintenance of municipal cemeteries

Social and family

Through the Algoma District Services Administration Board, the municipality contributes to social assistance payments, child care services and social housing. In addition, the municipality provides alternative residential services for seniors.

Recreation and cultural

The recreation and cultural department provides public services that contribute to neighbourhood development and sustainability through the provision of recreation and leisure services such as parks, rink facilities, fitness and sports programs. It provides public services that contribute to healthy communities through partnerships, promotion, prevention, protection and enforcement. The department also contributes towards the information needs of the municipality's citizens through the provision of library services.

Planning

The planning department provides a diverse bundle of services. It manages development for business interests, environmental concerns, heritage matters and neighbourhoods through planning and community development activities. It facilitates economic development by providing services for the approval of all land development plans.

For each reported segment, revenues and expenses include both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies. For additional information see Schedule 2.

Township of Prince Notes Consolidated to Financial Statements

December 31, 2019

11. Budget

The Financial Plan (Budget) By-Law adopted by Council on May 14, 2019 was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while Public Sector Accounting Standards now require a full accrual basis. The budget figures anticipated use of reserves and/or surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues to \$nil. In addition, the budget expensed all tangible capital expenditures rather than including amortization expense. As a result, the budget figures presented in the statements of operations and change in net financial assets (debt) represent the Financial Plan adopted by Council on May 14, 2019 with adjustments as follows:

Financial Plan (Budget) Bylaw surplus for the year	\$ -
Add: Capital expenditures	2,430,755
Less: Net inter-fund transfers from reserves Amortization	435,794 (180,122)
Budget surplus per statement of operations	\$ 2,686,427

12. COVID-19

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Township's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Township is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity at this time.

The net book value of tangible capital assets not being amortized because they are under construction (or development or have been removed from service) is \$231,800.

The Municipality holds various works of art and historical treasures. These items are not recognized as tangible capital assets in the financial statements because a reasonable estimate of the future benefits association with such property cannot be made.

Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers of the Township of Prince Opinion

We have audited the financial statements of the Trust Funds of Township of Prince (the Township) which comprise the statement of financial position as at December 31, 2019, and the statement of continuity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Township as at December 31, 2019 and the results of its operations for the year then ended in accordance with the Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Township in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Township's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Township or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Township's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Independent Auditor's Report (continued)

- Identify and assess the risks of material misstatement of the financial statements,
 whether due to fraud or error, design and perform audit procedures responsive to those
 risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for
 our opinion. The risk of not detecting a material misstatement resulting from fraud is
 higher than for one resulting from error, as fraud may involve collusion, forgery,
 intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Township's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Township to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
