Land Acknowledgement – By Mayor Enzo Palumbo

It is important that we acknowledge, with respect, that we are in Robinson Huron Treaty territory, that the land on which we are gathered is the traditional territory of the Anishinaabe and known as Bawating. Bawating is the home of Garden River First Nation, Batchewana First Nation, and the Historic Sault Ste. Marie Metis Council. We should and will honour and respect these Indigenous people as the ancestors and traditional stewards of the land upon which we stand today. May our relationships with the land teach us to live and work in good relationship with today. May our relationship with the land teach us to live and work in good relationship with one another.
