Hi Peggy:

I was out to Prince Lake Road yesterday to check out the erosion in the west side ditch near to Hwy 550 as well as to review the overall project as the one year period from completion of work in 2017 is on October 17, 2018.

I wanted to determine if the failure of the ditch could be attributed to the workmanship of Avery Construction. It is my opinion, the issues were more of a performance issue than a installation issue. The washouts were exacerbated by the excessive rainfall experienced from October 3rd to October 10th. Taking data from the nearby Environment Canada Sault Airport there was 42 mm (1 ½") on October 3, 22 mm (1") on October 8 and 76 mm (3") on October 10. The initial two rain events would saturate the ground and then set up for major runoff on the large storm event on October 10th. There is also evidence that the two road crossing culverts upgradient, the first within the guide rails and the second 25m north of the end of the guide rail were overwhelmed partly by blockages of the inlet that contributed additional flow downstream which unfortunately caused the washouts. The repairs that Brian Evans is overseeing should prevent a reoccurrence as well as some other maintenance suggestions based on my field review.

- 1 – In the section to be repaired as the shoulder in this section is wider – 1m ± I would suggest cutting it back to 0.5m to more closely match the rest of the road so that a consistent shoulder remains and it will help create a flatter foreslope
- 2 – At the lower rock cut (west side) there is a short section of erosion into the road foreslope that should be repaired
- 3 – At the inlet to the 600mm Ø HDPE Culvert (west side) there should be some rearrangement of rock rip rap that appears to be blocking the end of the culvert
- 4 – At the upper rock cut (west side) there is blockages to the inlet – leaves/sticks that likely contributed to water flowing beyond this inlet further south in the ditch on the west side of the road. I noted that this section of ditch was flowing water the day of my review while the lower section that washed out was not which confirms my belief that water from a much wider catchment flowed in the ditch the day of the washouts
- 5 – There was some damage (rutting) to the shoulders from heavy equipment running onto the shoulder.

In my inspection of work completed by Avery with the exception of the ditch washouts everything appears to be performing well.

- 1 – Steel Beam Guide Rail is in place without any settlement of posts
- 2 – Deep Embankment is not showing any signs of erosion/failure
- 3 – Rock Cut does not show evidence of loose rocks.
- 4 – Pavement is functioning well with no evidence of cracking.

We talked previously on if you wanted to pay out all the 3% warranty funds including the work completed this summer just so the books can be closed on this project. Let me know if you would like to proceed on that basis as from my inspection I don't see an issue with the asphalt going forward. If you would like to hold funds to 2019 we can pay out the 3% for work completed in 2017.

ADMINISTRATIVE REPORT

Date: Nov 7, 2018	Date Presented: Nov 13, 2016
Prepared By: Peggy Greco	Department: General
Subject: January 2019 meeting	

Since the second Tuesday in January falls on the 8th, and the preceding week is short, with the Christmas closure making for a lot of catch up for correspondence and agenda items, I am requesting and recommending the procedural by-law be waived to have the January meeting postponed to the following week.

As the Tuesday will conflict with the Conservation Authority meeting, I suggest that Council meet on Monday, January 14th at 6:45 pm.

This will allow us to have this information in both the December and January newsletters.

Executive Summary

The Ontario Provincial Police (OPP) has over 100 years of experience in providing effective community-based policing and protection throughout Ontario. The OPP has provided municipal policing services under contract for over 70 years and currently maintains contracts with more than 140 communities across Ontario.

The Township of Prince requested a costing for OPP municipal policing. This contract will be for a defined number of contractual hours of service as represented by uniform Full Time Equivalent (*FTE), plus civilian FTEs. It is based on hours of service and reflects the integrated service delivery model, whereby service can be provided from any detachment uniform position. The contract term will be 3+ years, meaning it will cover the remaining days and months in the year the contract takes effect, plus three calendar years thereafter. The contract is intended to be a transition contract after which time the municipality will be integrated into the OPP Billing Model. The OPP Billing Model is based on the municipality paying an amount equal to the sum of the municipality's allocated portion of the OPP's total municipal policing base and calls for service costs, and the costs for overtime, cleaning/caretaker, accommodation, court security and offender transport as applicable.

This proposal is based on the level of policing services required to provide adequate and effective policing as set out in *Regulation 3/99 of the PSA, Adequacy and Effectiveness of Police Services*.

Based on this information, the Township of Prince requires both proactive and reactive policing, 24 hours a day, seven days a week. The Sault Ste. Marie OPP Detachment will be the Administration/Operations Centre. The resources identified will be deployed to the Township primarily from this facility.

	Position	(1) FTE Contract Resources
-	Sergeant	0.12
-	Constable	1.00
	Total Uniforms	1.12
-	Detachment Admin Clerk (Full-Time)	0.09
	Total Civilians	0.09

(1) "Full-Time Equivalent" (FTE) means a unit of at least 1,417 hours of policing services delivered to the municipality by officers each year. It does not refer to an officer exclusively dedicated to this Agreement.

This proposal reflects the integrated policing concept, incorporating a policing services contract for the Township of Prince, along with other municipal and provincial policing responsibilities under one administration.

The Sault Ste. Marie Detachment Commander would be responsible to oversee all aspects of service delivery. The OPP contract complement identified in this proposal would be assigned to the policing needs of the Township of Prince. Administrative and support resources would be shared and costed accordingly. The detachment management including Staff Sergeant(s) and Sergeant / Platoon Leaders as applicable would provide assistance and supervision to the identified complement.

This proposal is based on the premise that all employees will report to, and deploy from Sault Ste. Marie OPP Detachment. The municipality will be billed Accommodation and Cleaning costs based on a per officer cost, and such costs will be included in the OPP Contract Proposal Costing Summary.

The contract costs include a comprehensive range of services that are made available to the Township of Prince. For example, expenses relating to contract negotiations, arbitration, grievances, civil litigation, tendering/purchasing, information technology, fleet and telecommunications are included in the overall costing formula. These services often require considerable internal and external expertise and the high costs normally associated with such services are defrayed through the contract for OPP service.

NOTE: The most recently approved costing formula shall apply in the calendar year following its approval.

OPP salary costs are comprised of two components: base salary and the Provincial Responsibility Incentive. The rates are based on weighted average rates of all OPP municipal detachment staff by rank, level and classification. These costs are adjusted annually to reflect actual costs. Overtime is estimated at the provincial average. The provincial average is recalculated and updated annually as part of the cost-recovery formula, and it, too, is reconciled to actual usage during year-end adjustment process.

The Township of Prince will be required to establish a Police Services Board, as mandated by Section 10 of the *Police Services Act* that will generally determine objectives and priorities for policing service within the community, after consultation with the Detachment Commander. The Commissioner is committed to ensuring that the Detachment Commander of the Sault Ste. Marie OPP Detachment responds appropriately to the Board's advice and priorities in a manner consistent with the Board's identified concerns, expectations and needs.

Generally, all existing community service programs and community policing committees are maintained, in consultation with the Police Services Board.

Any new community service programs considered may be implemented after consultation with the Township of Prince Council, the Township of Prince Police Services Board and the Sault Ste. Marie Detachment Commander.

When a municipality chooses to receive police services from the OPP under contract, the OPP will ensure that the required resource levels are met. The shared infrastructure of the OPP broadens local access to resources, expertise, solutions, training and management without duplicating services. In this case, the Township of Prince will continue to benefit as additional staff are readily available from within the Sault Ste. Marie OPP Detachment as well as other detachments and regions, should the need arise.

It is long-standing OPP policy and practice to be accountable to the communities we serve. The Commander of the Sault Ste. Marie OPP Detachment, or designee, will report to the Police Services Board on a regular basis, as per the direction of the Board. The OPP is experienced in being accountable to the municipalities we serve. With over 100 contracts currently in place and future contracts pending, there is great emphasis placed on OPP accountability to Police Services Boards.

The Sault Ste. Marie Detachment will accept Criminal Record and/or Vulnerable Sector check requests from residents of the Township of Prince. Such checks will be conducted on, and for the person making the request. The OPP does not conduct criminal record checks on behalf of any third party.

If the Township of Prince chooses to accept an OPP contract for its policing service, the Sault Ste. Marie OPP Detachment Commander will assign resources, focusing on meeting the Township's unique policing needs.

Value for the Township of Prince:

- Assurance of adequacy and effectiveness of police services;
- Dedication to resolving community issues through local involvement and community policing committees;
- Availability of additional staffing support from neighbouring detachments, regional headquarters and general headquarters;
- Access to a comprehensive infrastructure and specialized services (refer to the included "Services offered by the OPP" page for a list of support and services available); and
- Work with the Detachment Commander in determining the local policing priorities and objectives through the Township of Prince Police Services Board.

The estimated policing cost for 2019 associated to this proposal based on the Uniform and Civilian 2019 Salary schedules is **\$201,149**. This **does not** include the related initial start-up costs of **\$8,550** as listed in the OPP Contract Proposal Costing Summary.

Each subsequent year's Annual Billing Statements will be calculated using the most current costs based on the latest approved OPP Cost Schedule.

Salary, benefits, overtime, statutory holiday payouts and shift premiums are reconciled at year-end to reflect the actual costs. The total number of Uniform FTE hours is also reconciled ensuring the minimum number of contractual hours were met. A breakdown of the costs has been included, as well as the salary and cost schedule for the year 2019.

Please Note:

Not included in this proposal are:

- **The cost of maintaining the Police Services Board**
- **Any applicable costs associated with the storage of electronic and physical records**
- **Any applicable revenues accruing to the municipality as a result of police activity**

(Note - This proposal expires six months from the date of presentation to Council. At that time the costs and service levels identified in the proposal will be subject to review and revision where necessary.)

Notes to Statement

This 2019 annual cost estimate is calculated based on costs detailed in the *2019 OPP Cost Schedule for Amalgamating Police Services*. The *OPP Cost Schedule* is updated annually and each year's estimate of annual municipal police service costs is based on the most recent schedule in effect.

- 1) Salary rates are based on weighted average rates for municipal detachment staff by rank, level and classification. The 2019 salaries were estimated based on the 2018 rates set in the 2015 to 2018 OPPA Uniform and Civilian Collective Agreements with an estimated overall general salary rate increase of 1.9% for 2019 applied. The benefit rates are based on the most recent rates set by the Treasury Board Secretariat, (2018-19). Salary rates, Statutory Holiday Payouts, Shift Premiums, and Benefit costs are subject to reconciliation.
- 2) Overtime is calculated for uniform members based on a provincial rate of 5.41% of uniform salaries. Overtime is reconciled to actual costs allocated to the municipality.
- 3) Shift Premium is calculated at \$685 per Sergeant, Constable and reconciled to actuals.
- 4) The benefit rates are 28.09% of salaries for uniformed officers, 26.10% for civilian staff and 2% for overtime payments.
- 5) Uniform & Equipment is calculated at \$1,944 per uniformed member. The first year of the contract the municipality will be required to pay for the Sergeant portion only in the amount \$233. Initial costs are charged for the first year for the one constable FTE and therefore a reduction of \$1,944 will be applied in year one of the contract.
- 6) Uniform and Equipment Initials Costs are detailed below.

	<u>Quantity</u>	<u>Unit price</u>	<u>Total price</u>
Uniform and equipment - non-commissioned	1	\$ 4,130	\$ 4,130
Firearms including use of force equipment - uniform	1	\$ 1,573	\$ 1,573
Laser	1	\$ 1,984	\$ 1,984
Portable radio	1	\$ 863	\$ 863
Total Uniform and Equipment Costs			\$ 8,550

- (a) Under s. 4(1) of the *Police Services Act*, R.S.O. 1990, c. P.15, as am., the Municipality is required to provide adequate and effective police services in accordance with its needs;
- (b) Under s. 5 of the *Police Services Act*, the Municipality's responsibility for providing police services may be discharged by entering into an Agreement with the Solicitor General under s. 10 of the Act;
- (c) Pursuant to Order-in-Council 497/2004, the powers assigned to the Solicitor General in law, including those set out in the *Police Services Act*, have been transferred to the Minister of Community Safety and Correctional Services; therefore, all references to the Minister of Community Safety and Correctional Services shall be deemed to include the powers previously exercised by the Solicitor General;
- (d) The Municipality has expressed its intent to provide police services, in pursuance of its responsibilities under s. 5 of the *Police Services Act*, by means of this Agreement, as evidenced by by-law number xxxxx, dated xxxxx (attached as Schedule “A”);
- (e) This Agreement reflects the intent of the parties to provide an adequate and effective level of police services for the Municipality as set out in the "Contract Policing Proposal," dated October 05, 2018 (attached as Schedule “B”);

NOW THEREFORE, in consideration of the premises and covenants herein, the parties agree as follows:

1. The parties warrant that the recitals are true.

Definitions

2. In this Agreement:

- (a)** "Annual Billing Statement" means a statement prepared by Ontario and submitted to the Municipality for review and approval which contains:
 - (i)** the Municipality's policing costs for the year following the year in which the statement is prepared, based on, among other items, an estimate of salary, benefit and overtime costs; and
 - (ii)** a reconciliation of actual salary, benefit and overtime costs to those billed for the preceding year.
- (b)** "Board" means Township of Prince Police Services Board.
- (c)** "Commissioner" means the Commissioner of the O.P.P.
- (d)** "Detachment Commander" means the O.P.P. officer in charge of Sault Ste. Marie Detachment.
- (e)** "Full-Time Equivalent" (FTE) means a unit of at least 1,417 hours of policing services delivered to the municipality by officers each year. It does not refer to an officer exclusively dedicated to this Agreement.

General Provisions

- 3.** Ontario shall provide adequate and effective police services in accordance with the needs of the Municipality in compliance with the terms and conditions of the Agreement. The Municipality shall pay Ontario for the police services provided under this Agreement in accordance with this Agreement.
- 4.** The Commissioner shall ensure that the Detachment Commander responds appropriately to the Board's objectives and priorities for police services, developed after consultation with the Detachment Commander, pursuant to s. 10(9)(b) of the *Police Services Act*.
- 5.** The Commissioner shall cause the Detachment Commander or his or her designate to report to the Board at mutually agreed upon intervals in accordance with the *Police Services Act* regarding the provision of police services in and for the Municipality. The O.P.P. will determine the information to be contained in the reports and the format in which they will be provided.
- 6.** **(a)** For the purposes of s. 10(6) of the *Police Services Act*, the O.P.P. shall provide police services to the Municipality, including the enforcement of mutually agreed upon by-laws. The parties shall review this part of the agreement annually, with a view to revising or updating the list of by-laws requiring O.P.P. enforcement.

(b) Municipal Building Code violations overseen by the Municipality's Building Code inspector and those by-laws related to animal control will not form part of this Agreement.

7. The parties agree that sections 132 and 133 of the *Police Services Act* will be applied as if the Sault Ste. Marie Detachment of the O.P.P. was a municipal police force, and as if the Detachment Commander was a Chief of Police.

Service Levels

8. (a) Ontario shall cause the Commissioner to assign police officers and other persons to duties relating to the police services in and for the Municipality so as to meet the minimum service level requirements set out in Schedule "C" attached to and forming part of this Agreement. The parties shall review the service levels as are found in Schedule "C" annually and shall make the appropriate adjustments to the Annual Billing Statement. No adjustment to the service levels as set out in Schedule "C" shall be made without the consent of the Municipality.
- (b) In the event that the Municipality requests an increase in excess of the minimum service level requirement as set out in Schedule "C", to provide enhanced services dedicated specifically to the municipality, it shall be responsible for all costs associated with such increase. In the event that the Municipality decides to reduce the number of enhancement positions, it shall provide Ontario with at least one year's prior written notice and shall be responsible for all costs associated with such reduction.

Liability of Ontario

9. The O.P.P. shall be liable for any damages that may arise as a result of any negligent acts or omissions of its members in the performance of this Agreement.

Equipment and Facilities

10. Ontario shall supply or cause to be supplied all vehicles and equipment reasonably necessary and appropriate for the use of the O.P.P. in providing police services under this Agreement.
11. The parties will enter into negotiations concerning the provision and payment of appropriate buildings and rental agreements, including, but not limited to, location, leasehold improvements, and capital costs, where applicable.

Adequacy Standards Regulation

12. The O.P.P. shall undertake and be responsible for ensuring that all mandatory standards of adequate and effective police services as required by *Ontario Regulation 3/99* under the *Police Services Act* are met and maintained.
13. The Detachment Commander shall provide the Board with reasonable documentation, as agreed upon between the Board and the O.P.P., to allow the Board to evaluate the services and satisfy itself that adequate and effective standards and policies are in place.
14. It shall be the responsibility of the Board to monitor the delivery of police services to ensure that the provisions of the *Ontario Regulation 3/99* under the *Police Services Act* are satisfied on an ongoing basis.

Cost of Police Services

15. (a) On or before October 01st in each year, Ontario shall prepare and deliver to the Municipality for review and approval, the Annual Billing Statement for the following year, together with sufficient documentation and information reasonably necessary to explain and support the billing.

(b) The Municipality shall review the Annual Billing Statement upon receipt and, within 90 days of such receipt, shall approve the Annual Billing Statement or deliver to Ontario a request to review the Annual Billing Statement.
16. (a) In the event that the Municipality fails to approve or request a review of the Annual Billing Statement within 90 days of receipt, the Municipality shall be deemed to have approved the Annual Billing Statement.

(b) In the event that the Municipality requests a review of the Annual Billing Statement as provided in this paragraph, the Annual Billing Statement shall be approved, or amended and approved in accordance with Section 17.
17. Where the Municipality has delivered to Ontario a request to review the Annual Billing Statement, Ontario shall carry it out expeditiously, and Ontario shall cooperate to permit such a review to be carried out. If the parties are unable to agree on the Annual Billing Statement, either party may submit the matter to the dispute resolution mechanisms set out in paragraphs 22 and 23. In the event that the Municipality delivers a request to review to Ontario, the Annual Billing Statement shall be deemed to apply during the period of review.
18. The Municipality shall make monthly installment payments to Ontario due no later than 30 days following receipt by the Municipality of each monthly invoice, each one being one twelfth of the Annual Billing Statement for that year. Any amounts which have become due and owing shall bear interest at the rate set by the Minister of Finance from time to time.

19. Ontario shall keep all records, statements of account, invoices and any other such documents necessary to support the Annual Billing Statement, and all such records shall be kept for a period of seven years. Ontario shall permit the Municipality, upon notice to Ontario, to examine all such records and books of account and conduct a review of the Annual Billing Statement.
20. Upon the approval or deemed approval of the Annual Billing Statement, as provided in this Agreement, adjustments shall be made in the amounts paid by the Municipality by installment so that (i) the total amount paid in respect of the preceding year is equal to the amount shown on the approved Annual Billing Statement and (ii) the installments for the year following the year in which the statement is prepared are each equal to one twelfth of the approved Annual Billing Statement. Any amounts payable by one party to the other shall be paid to the appropriate party in the remaining monthly billings for the year following the year in which the statement is prepared.
21. Subject to reconciliation of salary, benefits and overtime costs, the total amount of money paid by the Municipality for police services in respect of any calendar year shall not exceed the Annual Billing Statement for that year, whether approved or not, with the exception of costs and expenses incurred as a result of the following:
 - (a) increases with respect to wages, benefits or other employment matters,
 - (b) property and plant, equipment and fuel,
 - (c) compliance with any laws, by-laws, regulations or provincial standards which become applicable to this Agreement or the provision of police services following the approval of the Annual Billing Statement for that year, and
 - (d) any other matters which require the provision of municipal police services in the Municipality and which were beyond the control of Ontario or the O.P.P., and which were unforeseeable at the time of the approval of the Annual Billing Statement.

Dispute Resolution Mechanisms

22. (a) The provisions of this paragraph apply in the event of a dispute between the Municipality and Ontario concerning financial and related issues arising out of the interpretation, application, administration, or alleged violation of this Agreement ("Financial Disputes") or between the Board and the O.P.P. concerning policing issues arising out of the interpretation, application, administration, or alleged violation of this Agreement ("Policing Disputes").
 - (b) In the event that a dispute arises, the Detachment Commander, or representative, and the Municipality or the Board, as the case may be, or their representative, shall meet within 30 days of such dispute arising, and use all best good faith efforts to resolve the dispute.

- (c) If the dispute remains unresolved, the Regional Commander, or representative, and the Municipality or the Board, as the case may be, or representative, shall meet and use all best good faith efforts to resolve the dispute.
 - (d) If the dispute remains unresolved, the Commissioner, or Deputy Commissioner, and the Municipality or the Board, as the case may be, or representative, shall meet and use all best good faith efforts to resolve the dispute.
 - (e) If a Financial Dispute remains unresolved, the issue may be referred to mediation by either party, and each party shall use all good faith efforts to resolve the dispute.
23. (a) Financial Disputes that cannot be resolved through any of the methods described within paragraph 22, may be referred to and settled by binding arbitration. The provisions of the *Arbitration Act, 1991* shall apply to any such arbitration, unless otherwise indicated below:
- (i) The language of the arbitration shall be English.
 - (ii) The place of the arbitration shall be the Township of Prince
 - (iii) Each party agrees that the arbitration shall be conducted in a summary manner to ensure a full hearing in a cost effective and efficient manner.
 - (iv) Each party shall make prompt full disclosure to the other and, subject to the availability of an arbitrator the arbitration shall be commenced within 30 days of the conclusion of the meeting with the Commissioner, or the mediator, if applicable.
 - (v) Each party shall be responsible for its own legal expenses and for an equal share of the fees and expenses of the arbitration and any other related expenses. Section 54 of the *Arbitration Act* shall not apply; the arbitrator shall have no right to make an award relating to costs.
 - (vi) The parties shall have no right of appeal to a final decision of an arbitrator.
- (b) Policing Disputes shall not be subject to mediation or arbitration.
- (c) Neither party shall be entitled to proceed to mediation or arbitration until all of the meetings referred to in paragraphs 22 have been held, and each party undertakes to exert all best good faith efforts to resolve the dispute in those meetings.
- (d) Mediations or arbitrations of disputes conducted under this Agreement shall remain closed to the public. All parties to any dispute shall keep all details, admissions or communications made in the course of the dispute resolution process strictly confidential, nor shall such information be admissible in any legal proceeding, except as follows:
- (i) on consent of all parties;
 - (ii) as may be ordered by a court of competent jurisdiction;

- (iii) the final decision of the arbitrator may be released.
- (e) Each of the meetings outlined in paragraph 22 shall be commenced no earlier than 15 days, and concluded no more than 30 days, from the conclusion of the prior stage unless the parties otherwise agree.
- (f) Notwithstanding any of the above provisions, nothing in this Agreement shall be construed so as to give the Municipality or the Board the right to alter any policy of the O.P.P. or the Ministry. Nothing in this Agreement shall be construed so as to give the Municipality or the Board, the right to supercede or vary the duties and obligations of the Solicitor General pursuant to s. 3(2) of the *Police Services Act*, or of the Commissioner pursuant to s. 17 and s. 41 of the *Police Services Act*, and further, the rights of the Municipality and the Board pursuant to the Agreement are subject to the Municipality's obligations under s. 4 of the *Police Services Act*.

Detachment Commander Selection

24. The Detachment Commander shall be selected from a short-listed pool of candidates as determined by the OPP in accordance with its relevant provincial policies. Following the formulation of the short-list, a joint committee consisting of Board members and persons nominated by the Commissioner, shall select the successful candidate in accordance with the process set out in the OPP's provincial policies.

Notice

25. Any notice, statement, invoice or account to be delivered or given by any of the below listed groups to any other of them shall be delivered to such groups using the delivery methods as listed below. Any notice, statement, invoice or account sent by mail shall be deemed to be received on the third day following the date of mailing unless shown to the contrary, and if sent by fax or by email, it shall be deemed to be received on the date it was sent. Any group may change its contact information by giving notice provided herein:
- (a) by mail to Ontario addressed to: The Minister of Community Safety and Correctional Services, 25 Grosvenor Street, 11th Floor, Toronto, Ontario, M7A 1Y6, or by fax to (416) 325-6067.
 - (b) by mail to the Commissioner addressed to: The Commissioner, Ontario Provincial Police, 777 Memorial Avenue, Orillia, Ontario, L3V 7V3, to the attention of the Manager, Municipal Policing Bureau, by fax to (705) 330-4191, or by email to opp.municipalpolicing@opp.ca

 - (d) by mail to the Board addressed to: The Township of Prince Police Services Board, 3042 Second Line W, Prince Township, Ontario, P6A 6K4, or by fax to (705) 779-2725

Commencement and Termination of Agreement

- 26. Notwithstanding the date upon which this Agreement is signed, the term of this Agreement shall commence on the 1st day of January 2019, and shall conclude on the 31st day of December 2021.
- 27. Either party to this Agreement may terminate this Agreement upon one year written notice of termination to the other party, in which case this Agreement shall terminate one year following the delivery of such notice. Should a notice to terminate be given, the Municipality shall continue to be obligated to pay for the cost of providing police services under this contract to, and including the date of such termination and Ontario shall continue to be responsible to provide the services outlined in this Agreement.
- 28. Should the Municipality's designated responsibility to provide policing under the *Police Services Act* be changed, either by statute or government interpretation, the Municipality maintains its right upon being so informed to give written notice of its intention to terminate this Agreement forthwith.

Entire Agreement

- 29. This Agreement and the schedules attached constitute the entire Agreement between the parties, and there are no representations, warranties, collateral agreements or conditions affecting this Agreement or the relationship of the parties or supported hereby other than as expressed herein in writing. Any amendment to this Agreement must be in writing, duly executed by the parties.

IN WITNESS WHEREOF, the Municipality has affixed its Corporate Seal attested by the signature of its duly authorized signing officers, and the Deputy Minister Community Safety, Ministry of Community Safety and Correctional Services has personally signed this Agreement to be effective as of the date set out herein.

Ontario's Government for the People Strengthening Tourism Sector

October 23, 2018

Province will launch consultations for a new tourism strategy

Ontario will consult with tourism operators and tourists to build a new tourism strategy to maximize the economic impact of Ontario's \$34 billion tourism industry, and unlock its limitless potential.

Sylvia Jones, Minister of Tourism, Culture and Sport, made the announcement today in Windsor, at the Ontario Tourism Summit hosted by the Tourism Industry Association of Ontario (TIAO).

"Tourism is a key economic driver in Ontario. Our government for the people promised Ontario will once again be open for business. That's why we acted quickly to help job-creating businesses by reducing WSIB premiums and addressing minimum wage," said Minister Jones. "With Ontario's new tourism strategy, we'll create a positive business environment where this vital sector can flourish and create good and sustainable jobs. We'll consult tourism operators and tourists to learn how to make Ontario a travel destination of choice and bring visitors back again and again."

"The government's commitment to tourism as an economic driver is evident with this announcement. A new tourism strategy, one that outlines how industry and the province can work together, will ensure the continued growth of this important sector."

— Beth Potter, President and CEO, TIAO

"Tourism is a vital sector for Ontario's economy. That's why we encouraged the new Ontario government to implement a strategic plan for the tourism sector. We're very pleased Minister Jones has announced that the government will be working with tourism stakeholders to create a new tourism strategy that'll lead to an even stronger tourism industry in Ontario."

— Rocco Rossi, President and CEO, Ontario Chamber of Commerce

Consultations will launch in late fall 2018 and seek feedback on issues affecting the industry, ranging from the role of government and industry to workforce challenges and regulatory burdens.

QUICK FACTS

- Tourism accounts for over four per cent of the province's GDP, contributing more than agriculture, mining and forestry combined.

- The tourism industry supports 390,000 jobs in communities across Ontario.
- The TIAO summit is an annual gathering of tourism delegates representing many of Ontario's small and medium-sized businesses in the tourism sector.

Algoma-Manitoulin

October 26th, 2018

Dear Mayor Lamming and Councillors:

It is with great pleasure that I congratulate you and the entire council on your recent municipal election campaigns. There is no doubt that the next four years will prove to be challenging and perhaps even daunting at times. However, I am also certain that by working together for the good of all, you will find success and satisfaction. Good leaders remember to consult and listen before determining the best paths to follow.

By electing you to be their representatives, the citizens of your community have shown confidence in your leadership experience and skills, both individually and collectively. I have no doubt that you will approach your duties with respect, dignity and commitment.

I congratulate you all on your success and wish you the very best as you take on the challenges of municipal leadership.

"It is what you learn after you know it all that counts." – John Wooden

Sincerely,

Ontario Government Connecting People with Addictions to Treatment and Rehabilitation

October 22, 2018

TORONTO - Ontario's Government for the People is planning to provide those who are struggling with opioid and other drug addictions the first steps towards treatment through new wraparound health and social services beginning in January 2019.

"Ontario's Government for the People is moving forward with a new, enhanced approach to treatment services," said Christine Elliott, Deputy Premier and Minister of Health and Long-Term Care. "Services provided under the new Consumption and Treatment Services model would better address the physical and mental health as well as social needs of people addicted to opioids and other drugs. Our new delivery model would provide a pragmatic approach to overdose prevention, rooted in a relentless focus on getting people the help that they need by connecting them to treatment."

Organizations would need to apply to provide treatment and rehabilitation services, and would also need to offer connections to health and social services, including primary care, mental health supports, housing, and employment. Before and after each site is selected, consultations would be held to ensure the voices of communities are heard. Sites would also need to have a plan in place to ensure community concerns are addressed on an ongoing basis.

QUICK FACTS

- Consumption and Treatment Services would replace the former Supervised Consumption Services and Overdose Prevention Site models. Existing sites could apply to continue operating under the planned new model.
- Under the new model, each site would implement an ongoing monitoring and reporting plan, as well as adhere to a comprehensive enforcement and audit protocol. This would help review performance, provide measurable outcomes and ensure compliance.
- The new model would continue to feature life-saving overdose prevention and harm reduction services, as well as a new focus on connecting people with treatment and rehabilitation services.

- It is anticipated that approved sites could begin to transition to the new model beginning in January 2019, with all approved sites expected to be in place by April 2019.
- Ontario is planning to expand access to addiction treatment by creating more detox beds in high need communities.

The Province Wants Your Ideas for a Made-in-Ontario Plan

October 19, 2018

Toronto - Ontario's Government for the People is inviting the public and businesses to have their say on how Ontario can deal with environmental challenges such as climate change.

"We share an opportunity to work together to tackle the big environmental challenges that currently face our province and, indeed, the entire world," said Rod Phillips, Minister of the Environment, Conservation and Parks. "At the same time, Ontario has many resourceful and innovative individuals and businesses - we want to hear from you on how best to balance a healthy economy with a healthy environment."

The public can now comment on some key areas of focus for Ontario's new plan, which will replace the previous government's insistence on imposing a punishing, job-killing carbon tax on Ontario families and businesses, and instead focus on collaborative approaches that will actually help the environment.

In particular, the consultation will focus on resiliency efforts, pollution reduction and how government can better partner with the private sector on sustainable solutions.

The government's new made-in-Ontario environment plan will be released for formal feedback later this fall. It is a comprehensive environmental plan to build a resilient Ontario that protects waters and air, cleans up communities and encourages conservation.

News Release

Ontario Supports Job Growth in Northern Ontario

October 24, 2018

Premier Doug Ford applauds creation of hundreds of new jobs in Ontario's mineral exploration sector

WHITE RIVER — Ontario's Government for the People is helping to create hundreds of new jobs in Northern Ontario.

Today, Premier Doug Ford and Greg Rickford, Minister of Energy, Northern Development and Mines, attended the official opening of Harte Gold's Sugar Zone gold mine near White River. Senior management at Harte worked closely with the government and Indigenous communities to complete the project, which will create about 150 jobs and demonstrate that Ontario is Open for Business.

"The opening of Harte Gold's Sugar Zone mine is a signal to the world that Ontario is Open for Business. It shows that this government is committed to improving the conditions for businesses, so they can thrive. It's also one more example of why Ontario is a global leader in mineral exploration and production," said Ford. "We told the people of Ontario we would create and protect good, local jobs all over the province. We will continue to support businesses that are bringing more prosperity and economic growth to every corner of Ontario."

The government of Ontario supported Harte Gold's participation in a number of international investment marketing missions that ultimately led to secured financing. The Sugar Zone mine is expected to be in operation for over a decade, during which time it could produce more than 900,000 ounces of gold. It will also generate increased activity for businesses that support Northern Ontario's mining supply and services sector.

"Opening a new gold mine is a tremendous feat for any mining company, particularly a former junior exploration company," said Rickford. "Sugar Zone mine will be a powerful economic engine in the region, and is a great example of growth and prosperity happening here in Northern Ontario."

"Mining is key to Ontario's continued economic success. It attracts billions every year in capital, most of which is spent directly in Northern Ontario," said Ford. "Today's announcement means that success can continue for years to come."

QUICK FACTS

- In 2017, Ontario produced \$9.9 billion worth of minerals, accounting for 22 per cent of Canada's total mineral production.
- Mineral production in Ontario supports 26,000 direct jobs and 50,000 indirect jobs associated with mineral manufacturing and processing.
- After the Sugar Zone mine reaches full commercial production, Ontario will have 39 operating mines, including 18 gold mines.
- Two-thirds of Ontario mining jobs are located in Northern Ontario, and most of Ontario exploration jobs are in Northern Ontario.
- There are more than 900 mining supply services companies in Ontario, over 300 of which are located in Northern Ontario.

- It is estimated that Indigenous people account for roughly 11 per cent of Ontario's mining labour force.
- Ontario is one of the most attractive jurisdictions for mineral exploration in the world, and consistently accounts for about 25 per cent of Canada's total exploration and deposit appraisal spending.

Ontario Medal for Good Citizenship: A message from Michael Mantha, MPP

Mantha - CO, Michael <MMantha-CO@ndp.on.ca>

16 October 2018 at 11:13

Dear Friends:

Throughout my years of service as MPP for Algoma-Manitoulin I have always been so very impressed with the number of citizens that we have in this riding who make incredible contributions as leaders and helpers in our communities. My office receives notification of the multitude of individuals that selflessly serve to make our communities better places to live. I am always so proud to highlight the contributions of such individuals in the Ontario Legislature when opportunity arises.

As well I want to bring to your attention that there are also opportunities for the public to recognize such outstanding individuals through the **Ontario Ministry of Tourism, Culture and Sport**. One such program is the **Ontario Medal for Good Citizenship**. The Ontario Good Citizenship Medal was established in 1973 as a means to recognize exceptional, long-term efforts of special citizens in our communities. . It is the second highest civilian honour bestowed by the Province. The Lieutenant Governor of Ontario presents recipients with the medal at a special ceremony at Queen's Park.

Any resident of Ontario can nominate someone for the **Ontario Medal for Good Citizenship**. To do so, submit a completed form with your nominee's information. Here's how:

- a. Visit the ministry website by clicking [here](#).
- b. Click on Ontario Medal for Good Citizenship
- c. Download the PDF form.
- d. Review the eligibility criteria
- e. Complete the form and submit it no later than **November 15th, 2018**.

I encourage you to consider this wonderful opportunity to recognize the wonderful contribution of outstanding citizens in Algoma-Manitoulin.

Sincerely,

Michael Mantha, MPP/député

A Gold Medal from the Royal Canadian Geographical Society

Dear Peggy,

We are thrilled to inform you that Trans Canada Trail (TCT) has been awarded the prestigious Royal Canadian Geographical Society (RCGS) Gold Medal for 2018.

TCT received the medal in recognition of The Great Trail's connection and its potential to promote the geography and heritage of Canada. Notable recipients of the accolade in previous years include luminaries like Margaret Atwood, Gordon Lightfoot, Sir David Attenborough and former prime minister John Turner, as well as organizations like Parks Canada and the Canadian Space Agency.

We are honoured to accept this award, but we accept it on behalf of you and thousands of other Canadians who have been with us every step of the way.

The Great Trail's story is one of collaboration, and we are so grateful to all our partners, volunteers and donors across the country who helped to make this dream a reality. Without your incredible generosity and steadfast work, there would be no Great Trail.

While we will celebrate this achievement with our supporters, donors and partners at all levels, we know that there is – and will always be – more to do. Through our new campaign, *Deeply Connected*, we are committed to enhancing and improving the Trail for generations to come. This involves creating even more adventures by developing new Trail sections, converting more roadways to greenways, making the Trail more accessible and funding emergency repairs after natural disasters.

With your continued support, we look forward to profiling more of Canada's majestic landscapes, rich history and vibrant communities along the world's longest network of recreational, multi-use trails.

Best wishes,

Trans Canada Trail Team

Motion:

Opposition Motion (Transfer of Terri-Lynne McClintic to a healing lodge)

That, given Terri-Lynne McClintic was convicted of first-degree murder in the horrific abduction, rape and murder of eight-year-old Tori Stafford, and was moved from a secure facility to a healing lodge without fences and where the government has confirmed the presence of children, the House condemn this decision and call upon the government to exercise its moral, legal and political authority to ensure this decision is reversed and cannot happen again in other cases

Council

Tuesday, October 2, 2018

Item:	12a
Date:	NOV 13 2018

Present: CEO Rita Wagner, Treasurer Sandy Fulcher, Secretary (Acting Chair) Brittany Agliami, Liz Lamming, Councillor Dave Amadio, Friends of the Library representative Dorothy Macnaughton and guest Lina Fata

Regrets: Chair Bev Couch

Call to Order: at 7:01 p.m.

Minutes of the Last Meeting: Sandy Fulcher moved that the minutes of the regular meeting held September 4, 2018 be accepted and Dave Amadio seconded the motion with the correction of changing "major" to "mayor".

Carried.

Business arising from last meeting: Sandy Fulcher commented that individuals at the last two Vendor's Market days were looking for the books (Friends of the Library's table).

REPORTS:

Treasurer:

1. Sandy reported that the balance was \$3,509.89 as of October 1, 2018. Moved by Sandy Fulcher, seconded by Dave Amadio.

Carried.

Secretary: None.

CEO: Copy is in the binder.

Sandy Fulcher moved and Liz Lamming seconded to increase the Xplornet services provided to the Library to 500GB with a \$10/month extra fee.

Carried.

Friends of the Library Report: At the Friends last special meeting in September it was decided that the Friends would no longer attend the last remaining Vendor Market days at the Pavilion. Dorothy is still looking for another location to hold Friends book sales. The Friends also decided not to take part in the Station Mall Bake Sale for 2018. The Friends will be having their Annual General Meeting on October 13, 2018 and everyone is welcome to attend. Topics will include funding items such as Rita's Wishlist and the potential purchase of new board table chairs.

NEW BUSINESS:

1. Calendar Order was submitted and the calendars should be here by end of October.
2. Public Library Operating Grant (PLOG) was submitted on September 8, 2018.

3. Christmas Volunteer Social – December 6, 2018 at 11:00 am, after the Library Board meeting at 9:30 am.

ADJOURNMENT:

Briefing: Municipal Governments in the Ontario Recreational Cannabis Framework

What Ontario Municipal Governments Need to Know About What Has and Has Not Changed

Introduction

In 14 days, it will be legal in Canada to possess or use cannabis subject to certain limits. The federal government amended the Criminal Code to enable Canadians to buy, sell and consume cannabis and cannabis products. Under federal legislation, Health Canada administers the licensing regime for recreational cannabis growers. These licensed producers serve as the sole source of legal recreational cannabis in Canada. The federal framework includes rules regulating grow operations as well as the advertisement and promotion of cannabis, which is strictly controlled to protect youth.

Under federal legislation, provinces are responsible for establishing wholesale and retail distribution systems. Jurisdiction over rules regarding where individuals can consume cannabis also resides with the provinces. ■

Ontario's Approach:

The key proposed amendments in Bill 36 are:

- i) to allow private sector retail stores where a municipal government has not opted out of retail sales;
- ii) establish the Alcohol and Gaming Commission of Ontario (ACGO) as the retail store licensing body and
- iii) align cannabis consumption rules with tobacco places of use under the *Smoke Free Ontario Act*.

For a breakdown of changes proposed by the legislation, [click here](#). ■

Retail Distribution on 17.10.18:

Ontario residents will be able to order cannabis legally from the Ontario Cannabis Retail Corporation (OCRC) starting October 17, 2018. The OCRC will be the only legal distributor for wholesale cannabis to retailers and the on-line retailer to the public. Delivery is conditional on the person ordering and receiving the cannabis product being an Ontario resident and 19 years of age or over. Identification is required. Packages cannot be left unattended in a building or home. ■

Places of Use:

If Bill 36, as proposed, becomes law on October 17, smoking recreational cannabis will be legal where tobacco consumption is permitted under the *Smoke Free Ontario Act*. It is illegal to smoke tobacco in enclosed workplaces, restaurants, bars and patios, schools, near playgrounds and publicly owned sports facilities and other locations. Municipal governments can also enact stricter by-laws on places to smoke in their communities. This allows municipal governments to reflect community preferences for the safety of residents and to balance public enjoyment of the community. However, in considering stricter requirements, municipal governments should also consider the cost of enacting locally determined rules and how they will be enforced. ■

Take Away:

The proposed rules governing where it is legal to smoke cannabis are changing. Public Health Units enforce the SFOA smoking rules. Municipal governments can pass stricter smoking by-laws but will need to consider cost and enforceability.

Provincial Licensing of Retail Stores:

The new legislation authorizes the Alcohol and Gaming Commission of Ontario (AGCO) to license and regulate private cannabis retail in the province.

The AGCO will establish processes for Retail Operator Licensing and Retail Store Authorization for retail cannabis stores in communities where municipal governments have not opted out. The AGCO and police will also be responsible for inspections and enforcement of the Act. Municipal official plans, zoning approvals and licensing by-laws will not apply. The AGCO has three licensing functions:

- The AGCO will be responsible for licensing cannabis Retail Store Operators. Licensing will be subject to criminal and financial eligibility checks. The AGCO is aiming to open the application process for store operator licenses in December 2018.
- Once a specific cannabis retail site has been proposed, the AGCO will be responsible for determining and granting Retail Store Authorization.
- The AGCO will also license Cannabis Store Retail Managers employed in senior positions at retail locations.

The AGCO will charge fees to cover the cost of administering of the licensing and retail store authorization processes.

The AGCO will provide municipal governments and the public with a 15-day notification period of a proposed store site to receive public input and hear concerns from the local community. Under the proposed law, the AGCO will consider comments from both the lower and upper tier municipality. The public notification of a proposed cannabis retail site will also be posted on the building and on the AGCO's website.

Further details as to how the public notification process will work are not yet available. In providing comments, the Bill says municipal governments must have regard to the needs and wishes of residents. AMO is seeking clarity on what this means since cannabis retail siting is exempt from typical land use planning processes.

Store locations will need to observe a minimum distance from schools. This distance will be specified in regulation. AMO is seeking clarity on how other local sensitive uses will be considered by the AGCO in its decision-making process.

There is no cap on the number of storefronts, leaving it to market demand to decide locations and the number of stores. However, there is regulatory flexibility in the Act to set concentration limits to ensure one or a few operators do not dominate the retail market.

It is unclear if a cannabis retail store would need to be located within a municipal commercial zone where retail is a permitted use or in any zone where retail is permitted.

AMO had hoped that municipal governments would have greater opportunity to influence store locations to protect other sensitive sites and the density of stores in their communities. This is an ongoing interest of municipal governments and will form part of AMO's continuing work, including engagement on regulatory development.

The first retail stores are to be operational April 1, 2019, after all licenses and authorizations are in place. It is presumed that all store locations will be required to be compliant with the Ontario Building Code and Fire Code. ■

Take Away:

The AGCO will license operators, approve store sites proposed by licensed operators and license cannabis retail managers to work in retail stores. Where municipal governments have not opted out, a 15-day notice period will allow comments from the public and municipal governments.

Regulations will set minimum distances from schools for retail locations. The government may also pass regulations to control market concentration of a single retail operator or corporation.

At this point it is unknown whether local zoning compliance will be needed for site approval.

AMO will continue to seek opportunities for municipal influence over store locations and density.

Municipal Opt Out of Cannabis Retail:

Municipal governments (defined in the Act as a local municipality) have a one-time opportunity to opt out of cannabis retail in their communities. There is no time period for a local municipality to opt back in via resolution. If the opt out is reversed by a municipal government, that decision is final.

To opt out, municipal councils must pass a resolution by January 22, 2019 stating they do not wish to host cannabis retail stores in their communities. The resolution must be sent to the AGCO. The AGCO's receipt of this resolution will automatically cancel any outstanding applications for a storefront in the municipality. The AGCO will keep a public list of communities that have opted out of hosting cannabis retail

stores. Operators will not be able to propose a store location or locations in those communities. The Minister of Finance will track municipal governments who opt out as this may impact the distribution of funding to help with costs. ■

with additional fines per day that the offence continues). These fines are levied under the *Provincial Offences Act (POA)*. If successfully prosecuted and collected, the fine is paid to the municipal government. ■

Take Away:

Municipal governments can opt out of hosting recreational cannabis retail storefronts in their communities by January 22, 2019 by sending a resolution to the AGCO. This opt out can be reversed but any decision to opt in is final.

Opting out may affect the portion of cannabis excise tax funds a municipal government is eligible to receive.

Take Away:

The first legal cannabis retail storefronts will open on April 1, 2019. To be eligible to receive an operator license, current illegal dispensaries must close before October 17. Any stores operating in Ontario without AGCO licenses are illegal and subject to police enforcement and prosecution.

POA fines apply.

Illegal Storefronts - Dispensaries:

Recreational cannabis is illegal until October 17, 2018. In Ontario, cannabis retailers **MUST** have AGCO operator licenses, site authorizations and employ authorized staff. They must also display a seal. To be eligible for AGCO authorizations, current illegal cannabis retailers will need to shut down prior to October 17, 2018. They may then apply for a retail operator license unless charged under federal or provincial cannabis legislation that comes into effect October 17. This may impact the closure of current illegal dispensaries without police intervention.

Unauthorized sales of cannabis are subject to significant POA fines (up to \$250,000 for individuals and \$1,000,000 for corporations, with additional fines per day that the offence continues) and police can issue closure orders to prevent unauthorized retail sites from reopening. Landlords can also be charged for permitting their property to be used in contravention of the Act (up to \$250,000 for individuals and \$1,000,000 for corporations,

Enforcement:

Police will enforce the federal and provincial cannabis legislation. The federal government has provided funds to police forces for training and the Ontario government has worked with Ontario Provincial Police and municipal police forces to increase the number of officers trained in the Standard Field Sobriety Test and as Drug Recognition Experts.

The AGCO will enforce licensing, renewals and adherence to any conditions. This will include inspections of store operations, the financial practices of the operators, ensuring licensed personnel are working in stores as required and discharging their duties appropriately, ensuring rules regarding sales are followed, etc. Contravention of provincial and federal requirements and laws can result in the revocation of operator licenses.

Public Health Units enforce the SFOA currently and deal with places of use for tobacco. Cannabis use enforcement will be added to these duties since the locations will be the same as now, unless municipal governments pass stricter smoking by-laws. Passing and enforcing stricter local smoking by-laws may increase local public health unit budgets for municipal governments.

Bill 36 includes provisions for municipal government councils to request that the Minister authorize in writing for local by-law enforcement officers to enforce the Act. This may be a preferred option longer term for new councils to consider after learning more about the transition impact of legalization.

The federal *Cannabis Act* strictly controls the operations of licensed growers as well as the advertising and promotion of cannabis. Growers must adhere to strict security requirements and seed to sale tracking of their products under the terms of Health Canada registration. Rules and regulations regarding

promotion and advertising also have the effect of banning cannabis promotion through mass advertisement channels because of youth access to these mediums. Section 23 of the federal *Cannabis Act* also pertains to the display of advertisements and could impact municipal governments who display third party ads. Fines and penalties can be levied against an entity for disseminating prohibited cannabis promotions. Where municipal governments own advertising vehicles (such as transit ads or street furniture, etc.) they may wish to consider prohibiting advertising related to this activity. ■

Take Away:

Police forces will enforce road safety and illegal storefronts. The province has provided training to police officers and is working to expand Drug Recognition Expert training. Public Health Units will enforce smoke free Ontario rules.

AGCO will inspect, investigate and enforce rules for registered operators and stores, including financial practices and illegal activities, if any.

Federal cannabis advertising rules are strict. Municipalities should ensure that their policies for transit and other municipal advertising channels are in line with these requirements.

Municipal Funding:

The transition to legal recreational cannabis will impact local services and municipal government functions including: policing, public health, bylaw enforcement and potentially paramedic services.

To help manage these municipal impacts, the provincial government has confirmed that it will honour its commitment to provide municipal governments with \$40 million of Ontario's portion of the federal excise tax on cannabis with a 50/50 provincial-municipal split if Ontario's revenues exceed \$100 million in the first two years. The commitment is:

- \$40 million over two years to municipal governments.
- At least \$10,000 for each municipal government with \$5,000 distributed to all municipalities as soon as possible. Another \$5,000 will be distributed in 2019.
- For municipal governments allowing stores, additional funding will be distributed on a per household basis. The province will also maintain a contingency fund to support additional and unanticipated costs.

Clearly, the provincial funding provides an incentive to municipal governments to allow private cannabis retail in their communities. There has been a sense that the federal excise tax amount will not cover provincial or municipal costs. Legal recreational cannabis is new to everyone. Some costs may increase such as nuisance calls, while others, such as police enforcement, may decrease. At this point, we do not know the impact. AMO urges municipal governments to track costs for additional work relating to the transition to legal recreational cannabis so data is available to protect local finances and services. ■

Take Away:

All municipal governments will receive at least \$10,000 to help transition to legal recreational cannabis in our communities.

Communities that decide to allow retail storefronts will receive \$10,000, plus per household funding, and will be eligible for a share of 50 per cent of the surplus funding if the province's share of federal excise tax exceeds \$100 million in the first two years.

Municipal governments must track additional expenditures related to legalized recreational cannabis.

Licensed Producers and Medical Cannabis:

Cannabis growing operations are licensed by Health Canada for medical and recreational cannabis products. It is also legal for residents to grow up to four plants per residence for personal use.

Medical cannabis users will continue to access cannabis in the same way as they do now. For some, that means that they order from licensed producers and Canada Post delivers their cannabis. Others grow their own for their personal medical use. Others still designate growers to provide the cannabis they need to manage their medical needs. It is anticipated this will continue, though some current and future patients may elect to get their cannabis from the recreational market if their specific requirements are met. The courts have upheld access to medical cannabis, including through designated growers.

As proposed, Bill 36 will also allow cannabis growers licensed by Health Canada to apply to operate one retail facility at a growing location.

This responds to the desire of cannabis producers to have vertically integrated cannabis operations. AMO understands this may function somewhat like retail operations at Ontario wineries and breweries.

AMO's Board has sought greater control for municipal governments over cannabis growers to ensure community concerns can be acted upon, such as through planning and licensing controls. For municipal governments that may be challenged working with some of these growers, we advise continued engagement and monitoring through the transition period. ■

Take Away:

It is illegal to grow more than four plants per residence.

Medical cannabis users are able to continue accessing cannabis in their currently preferred method(s). In some communities, there may be concerns about conflicts between some growers and their neighbours. The courts have upheld this activity as part of a patient's right to access medicine.

Licensed Producers in Ontario will be able to open one store at one location to retail their products.

Next Steps:

Municipal governments do not need to rush to make an opt-out decision. They have until January 22nd at the latest. Our advice is for new councils (post municipal election) to wait to have a full understanding of the legislative authority (once it is passed), the content of regulations (yet to be tabled) and an understanding of the AGCO's process for dealing with retail store licenses and store authorizations before making a decision to opt out. AMO is preparing to present to the Standing Committee reviewing the legislation on municipal concerns and challenges and seek any amendments deemed necessary. Municipal governments that have suggested amendments are urged to get in touch with AMO ASAP.

AMO is committed to advocating for municipal interests and providing as much assistance to members to facilitate local decision-making. Aspects of this will become more apparent over the coming weeks. AMO encourages municipal officials to bookmark the AMO website to keep up to date, and to reference other information. ■

Ontario's Updated Cannabis Framework: What's New with Bill 36?

Schedule 1: Amendments to the *Cannabis Control Act, 2018* (Previously the *Cannabis Act, 2017*)

- **Authorizing Licensed Private Retailers:** Section 7 (1) of Bill 36 amends Section 6 (1) of the Act to allow 'authorized cannabis retailers' to legally sell cannabis.
- **Prohibition against Unlicensed Sale of Cannabis:** Section 7 (2) of Bill 36 amends Section 6 (2) of the Act to prohibit distribution by anyone other than an authorized cannabis retailer and its employees.
- **Prohibition Against False Representation:** Section 8 (1) of Bill 36 prohibits persons other than an authorized cannabis retailer from using the cannabis retail seal or otherwise representing themselves as an authorized retailer.
- **Prohibition Against Illegal Online Purchasing:** Section 10 (2) of Bill 36 prohibits consumers from purchasing cannabis online except from the Ontario Cannabis Retail Corporation.
- **Designating Powers of Enforcement to Bylaw Officers:** Section 21(1) of Bill 36 indicates that the Minister can designate in writing any power exercised by a police officer under the Act (except for arrests) to any person or class of persons. The Minister can also issue restrictions in the written designation.
- **Power to Infer that a Substance is Cannabis during Prosecutions:** Section 25.1 of Bill 36 enables a court to infer that a substance is cannabis in the absence of evidence to the contrary. Section 28 also enables the Minister to issue regulations providing for how elements of an offence under the Act can be proved (i.e. assumptions or inferences that can be made in the absence of evidence to the contrary).

Schedule 2: Introduction of the *Cannabis Licence Act, 2018*

- **Alcohol and Gaming Commission of Ontario** named as the licensor, registrar and regulator of private cannabis retail.
- **Prohibition Against Cannabis Retail in Opt-Out Municipalities:** Section 4(2)(a) of the Act prohibits retail store authorization in a municipality that has opted-out of retail.
- **Rules for Opting-Out:** Under Section 41(1), municipal governments have until January 22nd to opt out of private retailers via resolution. According to Section 41(5), municipal governments are required to send notice to the Registrar if they pass a resolution to prohibit cannabis retail locally. The process for sending notice is to be prescribed in regulation. Under Section 41(2), opting-out will immediately cancel any outstanding applications for a licence in the municipality.
- **Rules for Opting Back In:** Under Section 41(3), municipal governments can opt back in by passing a resolution to lift a cannabis prohibition implemented before January 22nd, 2018. Section 41(4) stipulates that any resolution passed to lift a prohibition is final and may not be reversed. A municipality is required to send notice to the Registrar if it opts back in (Section 41(5)).
- **Restrictions on Municipal By-law Making Authority:** Section 42(1) of the Act denies municipal governments the authority to pass a business licensing by-law respecting the sale of cannabis or the governance of retail stores. Section 42(2) of the Act denies municipal governments the authority to pass a by-law under the *Planning Act* that has the effect of distinguishing where cannabis can or cannot be sold. Under section 42(3), any existing by-law passed by a municipality to regulate cannabis retail location is deemed to be of no effect.

- **Rules Around 15 Day Public Notification:** Section 4(7) of the Act requires that the Registrar give public notice of an application for a retail store authorization by displaying the notice on the location and by posting a notice on the Commission’s website.
- **Municipal Role in the Public Notification Process:** Section 4(9) states that the public notification process shall include a request from the Registrar to the municipality, or both municipalities in a two-tiered structure, for a written submission as to “whether the issuance of the retail store authorization is in the public interest, having regard to the needs and wishes of residents.” The municipality must respond within 15 days if it wishes to comment.
- **Retail Store Authorization Eligibility:** Section 4(6) of the Act sets out the eligibility requirements for an applicant to obtain retail store authorization. Criteria 5 states that a location is not eligible if the proposed store “is not in the public interest, having regard to the needs and wishes of the residents of a municipality.”
- **Single Store Allowance for Licensed Production Sites:** Section 4(4) restricts a licensed producer so that it can only hold one retail store authorization for a site located on or within the site set out in the production license.
- **Designation of Inspectors:** Section 27(1) authorizes the Registrar to designate persons employed by the Commission or other persons as inspectors for the purpose of ensuring compliance with the Act. It is unclear if bylaw officers can/will be designated inspectors.
- **Designation of Investigators:** Section 29 (1) authorizes the Registrar to appoint any person to be an investigator to determine if there is a contravention or failure to comply with the Act. Subsection (2) names police officers and “individual who exercise the powers of a police officer” as investigators by default. It is unclear if bylaw officers can/will be designated investigators.
- **Proof of Appointment as an Investigator:** Upon request, anyone acting as an investigator must produce identification to confirm authorization to act as an investigator.
- **License Appeal Tribunal** named as the body to review decisions made under the *Cannabis Licence Act*. It is unclear how the appeal process will work.

Schedule 3: Amendments to the *Ontario Cannabis Retail Corporation Act, 2017*

- **Online Recreational Cannabis Sales:** named the exclusive right of the Ontario Cannabis Retail Corporation (OCRC) in Section 2(1) of the Act.
- **Corporation to Function as the Exclusive Wholesaler:** Section 2(1)(b) stipulates that the OCRC has the exclusive right to sell recreational cannabis in Ontario to the holders of retail operator licenses and retail store authorization.

Schedule 4: Amendments to the *Smoke Free Ontario Act, 2017*

- **Aligning Cannabis Places of Use Rules with Tobacco:** the definitions of ‘medical cannabis’ and ‘medical cannabis user’ are repealed and replaced by the definition of ‘cannabis’ under the federal *Cannabis Act*. All references to medicinal cannabis are removed and replaced with references to ‘cannabis.’ The effect of this change is to align the rules around tobacco consumption with those regulating cannabis places of use. Public Health Enforcement will be responsible for enforcing cannabis places of use rules given their existing role in enforcing Smoke Free Ontario.

October 3, 2018

Prince Township
Peggy Greco, Clerk

Dear Peggy Greco:

I am writing to you regarding proposed changes to Ontario legislation which may have significant health impacts for our communities, especially for Algoma's youth.

On September 27, 2018 the provincial government introduced Bill 36, *Cannabis Statute Law Amendment Act, 2018*. This bill proposes to amend the *Smoke-Free Ontario Act (SFOA), 2017* and the *Cannabis Act, 2017*. Some of these amendments would align the regulation of cannabis use with the regulation of tobacco use; for example, the smoking of cannabis would be allowed and prohibited in the same places where tobacco smoking is currently allowed and prohibited.

Of concern to public health is that some amendments would allow vapour products and e-cigarettes to be displayed and promoted in places where these products are sold.

Vaping in youth can increase their risk of smoking tobacco. Using e-cigarettes that contain nicotine can also harm brain development. In northern Ontario, 17.4% of high school students report using e-cigarettes in the past year, despite the fact that it is illegal to sell or supply e-cigarettes to anyone under 19 years of age. In Canada, research has shown that retailers with interior advertising and promotion of e-cigarettes are more likely to sell these products to youth.

In accordance with its September 2018 resolution, **the Board of Health for Algoma Public Health is calling on the provincial government to protect youth from the heavy marketing and promotion of vapour products.**

As a valued partner in health protection and promotion, we invite you to join us and voice your comments and concerns to the Ministry of Health and Long-Term Care (MOHLTC). Attached is a fact sheet that you may use to guide your written response.

Please note that the public consultation period is quite short. The MOHLTC is receiving written feedback on Bill 36 until **October 8, 2018**.

Fact Sheet

Proposed legislation regarding the promotion and display of vapour products (e-cigarettes)

In 2006, Ontario was successful at stopping the display and promotion of cigarettes to youth in convenience/grocery stores.¹ Unfortunately, youth are now exposed to heavy marketing of e-cigarettes and vapour products, which can both harm their health and increase their risk of tobacco smoking.

As previously written, the *Smoke-Free Ontario Act (SFOA), 2017* would have (1) banned the display of vapour products in any manner that would permit a customer to view or handle the product prior to purchase; and (2) banned the promotion of vapour products in any place they are sold or in any manner if the promotion is visible from outside a place they are sold or offered for sale.² The *Smoke-Free Ontario Act, 2017*, was paused by the current provincial government earlier this year, and has not come into force².

On September 27, 2018, the provincial government introduced *Bill 36, Cannabis Statute Law Amendment Act*. The Act proposes to amend the *Smoke-Free Ontario Act, 2017* and the *Cannabis Act, 2017*. Some of these amendments would align the regulation of cannabis use with the regulation of tobacco use; for example, the smoking of cannabis would be allowed and prohibited in the same places where tobacco smoking is currently allowed and prohibited.

Of concern to public health is that some amendments would allow vapour products to be displayed and promoted in places where vapour products are sold.³

Key Points

Smoking is still a big problem in Algoma, including for youth

- 13,000 Ontarians die each year from diseases caused by smoking. This costs \$2.2 billion in direct health care expenses and an extra \$5.3 billion in indirect costs such as time off work⁴.
- Algoma's smoking rate is almost twice as high as Ontario's (29.6% vs. 15.5%) and Algoma youth aged 12 to 19 are less likely to remain abstinent from smoking compared to Ontario youth (73.6% vs. 89.7%)⁵.

Vapour products and e-cigarettes have health harms in youth and can increase their risk of smoking tobacco

- Nicotine is an addictive substance which can legally be present in vaping products in Canada as of May 2018⁶. Nicotine exposure during adolescence can harm brain development and result in symptoms of dependence⁷.
- E-cigarettes have other negative effects, even though they produce less chemicals and at lower levels compared to combustible cigarettes⁸. Intentional or accidental exposure to e-liquids by drinking or skin or eye contact can lead to serious health harms⁸. Long-term exposure to e-cigarette vapour, which contains chemicals with known toxicity (e.g. formaldehyde, acrolein), may also be harmful⁸.
- E-cigarette use among youth and young adults increases their risk of ever using combustible tobacco cigarettes⁸.

Bill 36 would not protect youth from the heavy marketing of vapour products and e-cigarettes

- 14.7% of Ontario high school students (Grades 9 to 12) report using e-cigarettes in the past year⁹, despite the fact that it is illegal to sell or supply e-cigarettes to anyone under 19 years of age¹⁰. In the North East and North West LHINs, 17.4% of high school students report using e-cigarettes in the past year⁹.
- In Canada, research has shown that retailers with interior advertising and promotion of e-cigarettes are more likely to sell these products to youth¹¹.
- In the United States, newer e-cigarette products that contain higher levels of nicotine have now gained widespread popularity and e-cigarette market share among young adults and youth¹². This has been accompanied by an exponential rise in targeted, intense marketing and promotion of e-cigarettes¹²⁻¹³. Canada may experience a similar transformation in its e-cigarette market, as these novel e-cigarette products become available.

Take Action

As a valued partner in health protection and promotion, **we urge you to submit your concerns about vapour product display and promotion** to the Ministry of Health and Long-Term Care (MOHLTC).

Further details can be found at this link to Ontario's Regulatory Registry:

<https://www.ontariocanada.com/registry/view.do?language=en&postingId=27806>

Please note that the public consultation period is quite short. The MOHLTC is receiving written feedback on Bill 36 until October 8, 2018.

Hi Peggy;

Hope this note finds you well. I'm writing to request that the Township consider its annual donation to the WRT partnership of \$100 in 2019. I've attached an invoice though I'm not sure you need one to process a contribution and supporting material on the Trust activities.

MTO will be finished its work on HWY 17 this fall, so we are committed to launching the Lake Huron North Channel expansion with the 2019 Great Waterfront Trail Adventure, our annual cycling holiday. We have been in touch with our overnight host communities and the itinerary is shaping up to be one of the best. The draft itinerary follows this note. We are bussing everyone to the Soo and plan to arrive by 2 pm. That afternoon, we are recommending cycling to Gros Cap Harbour to dip a toe into Lake Superior. If feasible, we would like to offer a Voyageur canoeing experience on the Water Trail. I'll reach out to Joanie soon to see what she thinks. We will touch base soon to discuss things with you.

If you have a moment, please visit our website to see the improved mapping resources and community information available for trail users. If you would like to see any additions to either, please give us a call or drop the changes into a email. <https://waterfronttrail.org/places/communities/prince-township/#amenities-and-transit>. The page works as a mini Prince Township Waterfront Trail page.

The attached backgrounder has several links to trail resources including the survey results from the 2018 Great Waterfront Trail Adventure.

Together we are making good progress in getting word out about the Great Lakes Waterfront Trail. And now we have a benchmark to measure our progress. We sponsored a question in the 2018 Nanos provincial poll commissioned by Share the Road Coalition. **45% of Ontarians (1,004 polled) are aware of the Trail.** Much of that awareness is the result of consistent signage installed over two decades, promoting the trail at travel shows, and the word of mouth that 11 successful Great Waterfront Trail Adventures have generated.

In addition to being promotional partners, continued investment by the communities in waterfront projects, paved shoulders have developed an incredible asset that we are proud to promote.

Don't hesitate to call if you have any questions, and thank you again for your support as we work towards fulfilling the legacy of a Great Lakes Waterfront Trail.

Thank you again for your support.
Marlaine

Draft Itinerary for the 2019 GWTA

Municipalities of Ontario

Re: Governance Models

Please be advised that at its regular meeting held, Monday October 1, 2018 the Council of the Township of McKellar passed the following resolution:

18-317 WHEREAS on September 17, 2018 the following statement was issued from the AMO Office of the President "We urge the Ontario government to clearly state its interests in having governance review, and how it will proceed. And we urge the Ontario government to work with AMO and the municipal order of government to change requirements that undermine municipal finance, infrastructure investment and efficient service delivery all across Ontario" as per the attached letter;

AND WHEREAS the current President of AMO is the Mayor of Parry Sound;

AND WHEREAS the goals for a "Governance Review" may not be the same for the Town of Parry Sound as they are for other municipalities in the District of Parry Sound;

AND WHEREAS AMO has no mandate from the District of Parry Sound Municipalities to speak on their behalf on governance models such as Regional Government or Amalgamations;

AND WHEREAS the Honourable Steve Clark, Minister of Municipal Affairs and Housing sent out the attached letter indicating there will be discussion with municipal partners regarding governance models;

NOW THEREFORE BE IT RESOLVED that the Township of McKellar requests that any discussions that AMO has with the Province be preceded with an open meeting between AMO, all members of Council and members of the public to determine the desires of each municipality in regard to governance models;

AND FURTHERMORE BE IT RESOLVED that our MPP Norm Miller and the Province of Ontario also have an open dialogue with the Township of McKellar and respect the opinions of the township as it regards to any review of the local governance model.

YEAS: Councillors Beier, Haskim, Kekkonen, Zulak and Reeve Hopkins
