APPLICATION FOR
CONSENT

COMMITTEE OF ADJUSTMENT

SUBMISSION CHECKLIST

Please retain this page for your information

A complete consent application package requires the submission of:
a completed application form;
the required fee; and
sketch(es) (drawings) of the subject property.

BEFORE YOU SUBMIT:

Pre-consultation with Committee of Adjustment staff is recommended before you submit an application. Pre-consultation can help identify which type of consent is involved, whether or not a related minor variance application is necessary, if there are servicing requirements/limitations or land dedications involved with the proposal, and whether the proposal is beyond the scope of the consent process (for example, a Plan of Subdivision process).

To schedule a pre-consultation meeting, please contact Lorraine Mousseau at 705-779-2992 Ext. 1 or lorraine@twp.prince.on.ca. Failure to consult with staff prior to application submission may result in your application being deferred, possibly denied or deemed incomplete.

FEE: \$500 (cash or cheque payable to the Township of Prince)

APPLICATION:

- One (1) original copy of the completed application form is required.
- The nature and extent of relief applied for (on page 2 of application form) must include the applicable sections of the Township of Prince Zoning By-law. If applicable, please refer to the letter you received from the Building Division regarding the nature of the variance.
- Written authorization by the owner(s) is required if the application is signed by an agent or solicitor on the owner's behalf.
- 2 copies of the sketch are required:
 - 1 full size copy (maximum size of 11 inches x 17 inches) drawn to scale
 - 1 copy reduced to letter size (8.5 inches x 11 inches)The sketch must contain **all** the information noted below

The Planning Act requires that sketches, drawings, or surveys show the following information. Should deficiencies be found, you may be required to re-apply.

- All measurements must be shown in **metric** (metres) and **drawn to scale**.
- The boundaries and **accurate** dimensions of the proposed severed and retained lands
- The size, location, and type of all existing and proposed buildings, structures or additions on the subject land, measured from the front, rear, and side lot lines
- The location of any land previously severed from the subject property

- The location and nature of any easement affecting the subject land
- The location of any natural or artificial features on the subject land and on land adjacent to the subject land (examples: trees, roads, watercourses, river or stream banks, wetlands, wooded areas, drainage ditches, wells, septic tanks, buildings, and railways)
- The current uses on land that is adjacent to the subject land

Note:

Where possible, application forms should be submitted in person by arranging a time to meet with Committee of Adjustment staff. This will allow the application to be reviewed with staff to identify any possible issues or further information required; therefore avoiding unnecessary delays during processing. Contact information for staff is listed at the bottom of this page.

This is **your** application – please make sure that you know the exact details of why you are applying. It is your responsibility to provide a complete and accurate application. Staff are not permitted to complete the form for you.

An application will not be accepted as complete unless all legislated requirements have been met, and will not be processed until all necessary information has been received.

Depending on the volume of applications received, submitting an application on or before the application deadline does not guarantee the application will be heard at the next hearing. Applicants are encouraged to submit applications prior to the last submission day and to confirm a hearing date with the Deputy Clerk.

The Committee of Adjustment application process is a public process. Applications will be circulated to public agencies for comment. Notice of the hearing will be circulated to neighbouring property owners and a sign will be posted on the subject property. All parties are given the opportunity to provide written comment or attend the hearing, either in support or opposition of the application, or to appeal a subsequent decision of the Committee of Adjustment. The comments and opinions submitted on an application, including the name and address on the submission, become part of the public record and may be viewed by the general public.

The owner, applicant, or authorized agent **must** attend the public hearing. It is in the applicant's best interest to ensure they are represented at the hearing. Failure to attend could result in the Committee of Adjustment making a decision in your absence or deferring your application. A deferral fee will apply to deferred applications or applications requiring re-circulation for failure to attend the hearing.
