CAO/CLERK-TREASURER'S REPORT

The office will be closed on August 5th to celebrate the civic holiday. Enjoy yours!

As you have noticed, the Provincial project to replace the culverts and resurface 2nd Line and Airport Road in Prince Township is well underway. Thank you for your continued patience and your consideration of the workers. Although it will not be a dedicated bicycle lane, when completed, the newly paved shoulders will hopefully make it safer for pedestrians, horseback riders and bicyclists.

Tax bills were issued by July 12th. If you did not receive your tax bill, do not hesitate to contact the township office. The next installment is due August 15th.

New cameras have been installed that monitor the pavilion and the recycling area for Prince Lake and Jackson Island residents. We will be reviewing the footage when vandalism to the pavilion or misuse of the carts occurs (ie: garbage and unauthorized use). Please be respectful.

Although the pavilion floor is concrete, the pavilion is being used for special events, such as weddings and parties. Please do not draw

on the floors or walls. Even the use of sidewalk chalk is prohibited. Thank you for your cooperation!

Don't blink!

Respectfully,
Peggy Greco
