**2018 EarlyON Addendum to SCHEDULE "A"
Onetime Funding - Operating Expenses and/or Resources**

The Ministry of Education established a new responsive, transparent funding approach that allows CMSMs and DSSABs to build on the existing strengths of early years programs, and stabilize and transform service while being increasingly responsive community need.

In the 2018 year, the DSSMSSAB will provide a onetime allocation that can be utilized within the funding guidelines to support:

- operating costs related to lease and occupancy
- resources for families and caregivers related to early learning and development such as materials for inquiry-based play; or
- supplies to support the delivery and daily operation of programs.

The DSSMSSAB will:

- issue \$14,386.00 to the Service Provider to assist with expenses as related above.

The Service Provider will:

- utilize this funding on expenses related above; and
- provide verification of expenditures by January 31, 2019 and report total expenditures broken out by leasing costs or other resources.
