

Corporation of the Township... of ...Prince
By-Law No# .332.....

Entitled "A By-Law to provide for the Corporation's consent to The Bell Telephone Company of Canada constructing its lines of telephone upon, along, across or under streets, highways, squares or other public places under the jurisdiction of the Corporation".

Be it enacted by the corporation of the Township... ofPrince..... as a By-Law thereof as follows:

1. That pursuant to the provisions of Section 378 (2) of the Railway Act, R.S.C. 1952, Chapter 234, the said Corporation hereby consents to the construction by the Bell Telephone Company of Canada of all its lines of telephone and telephone plant heretofore constructed upon, along, across or under the streets, highways, squares or other public places under the jurisdiction of the said .Township..... of .Prince..... in the locations and in the manner in which the same have been constructed.
2. That pursuant to the provisions of Section 378 (2) of the Railway Act, R.S.C. 1952, Chapter 234, the said Corporation hereby consents to the construction by The Bell Telephone Company of Canada from time to time hereafter of all such lines of telephone and telephone plant as it requires for the purposes of its business upon, along, across or under any or all of the streets, highways, squares or other public places within the saidTownship of Prince..... under the jurisdiction of this Corporation; provided, however, that the construction of all such lines and plant by The Bell Telephone Company of Canada shall be done in accordance with the said Company's standards of construction from time to time in force and effect; and provided further that the location of all such telephone lines and plant hereafter constructed or of existing lines and plant which may hereafter be relocated shall be subject to the approval of the engineer or reeve of the Corporation from time to time being, whose written approval of locations of lines and plant shall be valid and binding upon the Corporation.
3. That upon obtaining the consent of the abutting land-owners, the Company may, with the approval and under the supervision of the said engineer or reeve trim all trees growing or standing upon the highways of the Corporation so as to keep its lines and wires free from interference therewith.
4. That the Clerk of the said Corporation is hereby authorized and directed to certify from time to time under the Seal of the Corporation to The Bell Telephone Company of Canada the appointment and the name of the Corporation'sagent authorized to act under this By-Law.

5. And be it further enacted that in the event of the
.....Township of Prince or other properly qualified body or
person deeming it necessary to request the Company to move,
alter or rearrange its line or lines of telephone and/or other
plant for the purpose of widening, improving or relocating a
highway of the Corporation, or for any other purpose, the
engineer or reeve may give to the said Company an order
to do such work as he deems necessary; and he may enter into
an agreement with the said Company for the payment of the whole
or any portion of the cost of the said work by the Corporation,
and any such agreement entered into by the said engineer or reeve
shall be valid and fully binding upon the said Corporation;
provided that the amount of the cost to be borne by the Corpora-
tion under the terms of the said agreement shall not exceed the
sum of ..\$100.00.....

Mayor (or Reeve)

(Seal)

Clerk

SUBJECT: MUNICIPAL CONSENTS

5 Township of Prince.

THE BELL TELEPHONE COMPANY OF CANADA

369 Queen Street, East,
Sault Ste. Marie, Ontario.

Township of Prince,
Mr. W. Doughty, Reeve,
R.R. #1.
Gros. Cap, Ontario.

Dear Sir:

Pursuant to the provisions of Section 378 (2) of the
Railway Act, R.S.C. 1952, Chapter 234, and By Law #332 of
the Council of the

Township of Prince of dated we here-
by apply for approval of the location ~~buried cable~~
as shown in detail on the attached plans,
MC/5 Est. 862684.

We are submitting this application in duplicate and
request that you sign the "Location Approval Certificate" shown
on the reverse of the drawings and return one of the duplicates
to us so that we may proceed with work operations which are
scheduled to start as soon as possible.

If this proposal does not meet with your approval,
please assign an alternate location on the above plans and
return both to this office.

Prior to starting work, you will be contacted by our
Construction Department so that you may make arrangements for
supervision of construction on behalf of the Municipality.
