JOB OPPORTUNITY

EARLYON CHILD AND FAMILY CENTRE STUDENT EMPLOYMENT

Applications are currently being accepted for summer employment, pending approval from Human Resources Development Canada. College or University students who are returning to school in the fall are eligible.

Submit résumé to Kate Parniak, Program Manager, 3042 Second Line West, Prince Township, ON P6A 6K4 or email kmitchell@twp.prince.on.ca or phone 705-779-3627.

CAO/CLERK-TREASURER'S REPORT

On May 14, 2019, Council appointed a new fire chief to the Prince Township Volunteer Fire Department. We are please to congratulate Steve Hemsworth, one of our current volunteers, on his new position. Steve comes with a wealth of experience and an abundance of enthusiasm.

Thank you to Deputy Chief Jim Boissineau, for keeping things on track will waiting for this appointment and retired Chief Ed Haley for his years of service and for staying on board during these past few months of transition.

"Live Your Best Life," is the theme for Ontario's 35th annual Senior's Month. It is a great opportunity to raise awareness of health and well-being issues facing the province's seniors. With loneliness being one of the top 5 issues, take time to visit a senior near you.

The Township has applied for funding through the Investing in Canada Infrastructure Program (ICIP) for the rehabilitation of Walls Road. If funding is approved, watch for road closures and detours on parts of the road throughout the summer months.

The Prince Township Festival and Events Pavilion will be the site for the second annual car show/ motorcycle show and shine on June 8th. There will be plenty of vendors, food and fun for kids of all ages. Come and enjoy!

Council passed the budget for 2019 at the meeting of May 14, 2019. Even with all the funding cuts and increased expenditures this year, council has managed to keep the municipal portion of the levy at an increase of only 1.5%. With the slight reduction in the education levy, the overall increase is under 1%. Tax bills will be issued by July 15th, with the last two instalments of the year due on August 15th and October 15th.

Happy Fathers' Day to all of the men in Prince Township who fill that role.

I've heard summer is coming. Let's keep our fingers crossed.

Peggy Greco,
CAO/Clerk-Treasurer

LIBRARY NEWS

LIBRARY BOARD MEETING: * THURSDAY JUNE 13 at 7:00 p.m.*****

PROVINCIAL BUDGET CUTS: Southern and Northern Ontario Library Service had their budgets for 2019-2020, cut by 50% and so it has affected some programs and services that had/ have been offered by them and some people have lost their positions or are now part time.

Inter Library Loan: This will resume in June, along with the ILL postage rebate. Provincial and Supplemental Licensing programs will remain unchanged. (OverDrive and Ancestry for our library)

BOOK CLUB: We will resume in the Fall with a list of books and the dates to be posted on the bulletin board and on our web site ptpl.ca. We are an informal group. We choose books that we have read and feel that the group would like, and sometimes they don't! It makes for a good discussion.

RECOMMENDED BOOKS: We have had some excellent donations and they are found on the brown table near the front desk, at the back on the book case and the filing cabinet. Check them out. These selections are from McNaughton.

SAVING MEGHAN, by Daniel Palmer. Can you love someone to death? The doctors suspect Munchausen syndrome by proxy or is it something more sinister?

LOST ROSES by Martha Hall Kelly is our Large Print selection. Where LILAC GIRLS saw New York socialite Caroline Ferriday champion a group of concentration camp survivors known as the Rabbits. Lost Roses has Caroline Ferriday's mother Eliza Woolsey Mitchell devoting her time to the cause of the "White Russian" emigres former aristocrats in Russia who lost everything when the Bolsheviks seized power from the tsar in 1918. They arrived in New York destitute and traumatized. Eliza helped organize the American Central Committee for Russian Relief.

THE NEVER GAME by Jeffery Deaver. Coulter Shaw is Deaver's new hero, an expert tracker. A young woman has gone missing in Silicon Valley and her father has hired Colter to find her. "But what seems like a simple investigation quickly thrusts him into the dark heart of America's tech hub and cutthroat billion-dollar video gaming industry."

COMING EVENTS AT THE LIBRARY ON SATURDAY JUNE 8th.

- **First Name Almanac fund raiser.** Just in time for Father's Day or any day that you need a special gift. Come and see us at the Car show on Saturday June 8, 2019. The cost is \$3.00. Your name is special, just like you!
- **Book sale.** The Friends of the Library will be on hand. There are also Collector Books and Books by Local Authors, individually priced in the library and on the web site ptpl.ca.

LIBRARY HOURS:

Mon.9-1, Tues. 9-1 and 6-8p.m. Wed. 10-Noon, and 2-4 Thurs. 10-Noon, 2-4, and 530-7p.m. Fri. 10- Noon and 2-4, Sat. 10-Noon.

We are a volunteer library. WE ARE LOOKING FOR VOLUNTEERS IN THE FALL FOR THURSDAY AFTERNOON.

Sometimes we have other commitments. We do try to have a volunteer at the desk. The township intern Chelsey will assist you. Please call ahead to the Library 705-779-3653 ext.4. OR 705-779-2992 EXT. 3 We are closed Sunday and holiday weekends.

BOOK DEPOSIT BOX: Please put your items in a tied plastic bag. If you have donations, please bring them in to the library. Thank you.

PRINCE WOMEN'S INSTITUTE

We had our first Branch meeting with our new executive on May 6th. Our President is Margaret Christenson, Past President Jane Darlow, First Vice President Sandra Marshall, Secretary and Public Relations Rita Wagner, and Treasurer Jane Darlow. We will be planning our meetings soon and hope to have some programs that will interest you. If there are any topics that you would like us to share our talents with you, or get speakers to come to our meeting, let us know. Drop your suggestions at the Library. Our District meeting was held on May 15th with North Tarentorus joining us, for a tasty lunch hosted by Prince.

ATTENTION DOG OWNERS

UNLICENSED DOGS

Dog Licences were due March 1st, 2019. There is now a \$15.00 penalty per dog applied to the cost of the licence. The cost is \$7.50 for spayed or neutered dogs or \$15.00 otherwise. **Please bring in confirmation of last rabies shot date** to the Township Office or call 705-779-2992 or email lorraine@twp.prince.on.ca.

911 SIGNS

Residents are requested to make sure that 911 civic number signs are clear of trees, etc. The sign should be visible by emergency personnel from 100 ft.

PRINCE TOWNSHIP BUILDING PERMITS

Permits ensure that construction within the municipality meets with standards set out in the Ontario Building Code. No matter what the specific project may be, the enforcement of codes is carried out to protect public health, safety and welfare. Compliance with municipal by-laws such as the Zoning By-law is also evaluated during the review process.

Building permits are typically required for the following:

- New buildings
- Additions
- Renovations or alterations
- Demolitions
- Prefabricated structures
- HVAC systems (heating, ventilation, air conditioning)
- Miscellaneous for residential (pools, fireplaces, decks, fences, etc.)
- Temporary buildings
- Installing new windows and exterior doors
- Installing new shingles or metal roofing
- Installing new cladding (siding, stucco, etc.)

To be sure, contact the Building Division at 705-759-5398 or email building@cityssm.on.ca, describe the work to be done and investigate what the requirements are.

If your questions cannot be answered over the phone or email, you can show your proposal to the Building Division staff at the Civic Centre - Level 5. They are always ready and willing to help!

Our Prince Twp. Volunteer Fire Dept. use green flashing lights in their personal vehicles when they are responding to the fire hall for an emergency. If you see a vehicle with a green flashing light please yield the right of way.

Thanks for your co-operation!

Barbecue Fire Safety

As barbecue season begins the Prince Township Volunteer Fire Department want to remind everyone how important it is for the entire family to be savvy about outdoor cooking. All outdoor grills can be extremely dangerous if not cared for and used properly.

Safety at the grill

Never store combustible materials next to the barbecue.

Before covering or storing your barbecue, make sure it has been shut off, is completely cool and/or has no hot coals.

Never leave the barbecue unattended when in use.

Keep gas hoses away from hot surfaces and hot grease.

Keep children and pets away from the gas valve and the grill.

Keep loose clothing away from the hot barbecue.

Don't put water on a grease fire – it will only cause flames to flare. Use an approved fire extinguisher or baking soda.

Don't operate your barbecue near wooden fences or walls, beneath a combustible roof, under a tree, near vinyl siding or in an enclosed space (such as a garage).

Alert Ready is designed to deliver critical and

When finished, first turn off the gas valve to allow gas in the hoses to burn off before turning off the burner controls.

Clean the burners and grill regularly to minimize the risk of grease fires.

Barbecues

Before using your barbecue for the first time this season, ensure the barbecue is a certified

cooking appliance. Follow manufacturer's specifications for lighting, use and maintenance. Check thoroughly to ensure that all hoses are clear and firmly attached and that there are no leaks or blockages.

Propane Cylinder

Before having a propane cylinder filled, check it for dents, gouges or other signs of disrepair. When having a cylinder filled, ensure that the cylinder is not overfilled. Also, check the expiry date. You should never use or refill a cylinder that is older than ten years.

Setting up your BBQ

Check to ensure all connections are tight BEFORE turning on the gas. Leaks can be detected by dabbing the connections with a solution of soapy water and turning on the gas momentarily. If bubbles occur, there is a leak that must be fixed before the grill is used. NEVER store spare propane cylinders indoors or near a barbecue, heat source or open flames.

Protect Yourself from Tick Bites

As weather gets warmer learn how to prevent tick bites and Lyme disease

The Government of Ontario is encouraging people across the province to take precautions when spending time outside to prevent tick bites and Lyme disease.

Lyme disease is a serious infection that comes from being bitten by an infected blacklegged tick. You can find an infected tick almost anywhere in Ontario, which is why the government is reminding Ontarians to protect themselves against tick bites ahead of this May long weekend.

"Now that warmer weather is finally here, more Ontarians will be enjoying time outside," said Christine Elliott, Deputy Premier and Minister of Health and Long-Term Care. "But warmer weather also means ticks are out and active. We want to make sure the people of Ontario understand how to protect themselves and their loved ones from Lyme disease and other tick-borne illnesses, so they can enjoy the outdoors safely."

Consult a healthcare professional as soon as possible if you have any concerns after a tick bite. If caught early, most cases of Lyme disease can be treated successfully with antibiotics.

You may be at risk of tick bites if you spend time in wooded areas or areas with tall grasses and bushes (including city gardens and parks). You can protect yourself by:

- Wearing light-coloured long-sleeved shirts, closed-toed shoes, and long pants tucked into your socks.
- Using an insect repellent with "DEET" or "icaridin" in it, which is effective and can be used safely when applied as directed.
- Checking yourself, your children, and your pets after being outdoors and removing any ticks promptly.

"Lyme disease is preventable," said Dr. David Williams, Ontario's Chief Medical Officer of Health. "That is why we are encouraging Ontarians to learn how to be safe and prevent tick bites. These simple precautions are the best defense for you and your family."

Ticks are small and hard to see. If you do find a tick, remove it carefully with fine-tipped tweezers, as crushing or damaging the tick could cause Lyme disease bacteria to pass from the tick into your bloodstream. Clean the area

with soap and water once you have removed the tick.

QUICK FACTS

- While the probability is low, it is possible to find an infected blacklegged tick almost anywhere in Ontario.
- Lyme disease cases have been on the rise in the province.
- Early symptoms may include fever, headache, muscle and joint pain, fatigue and an expanding rash.
- If left untreated, Lyme disease can make you feel tired and weak, and if it worsens, it can harm your heart, nerves, liver and joints, and in very rare cases, cause death.

While ticks are most active in spring and summer, they can be found at any time of the year when the temperature is above freezing.

It's the LAW!

Be Respectful. Be Courteous.

IMPORTANT NOTICE:

As of July 2, the City of Sault Ste. Marie will be going to a cart system for garbage that will be picked up by GFL's automated system, similar to the recycling carts. Due to this change, which we were only recently made aware of, Municipal Waste and Recycling will not have a truck in our area for garbage pick up, forcing Prince Township to adopt the same system. This change may come as early as the 2nd of July if we are able to get the carts in time to coincide with the city's transition.

Please be patient as we move forward with this unexpected development.
