“JOY-Full Socks” was launched eight years ago by Leslie Cassidy-Amadio. Last year, over 2800 pairs of socks were donated and shared among 16 different local charities. We are happy to announce that the campaign will be running again this year.

It's an easy way to get involved in helping those in need. It's as simple as purchasing socks and filling them with grooming products, such as toothpaste, toothbrush, shampoo, soap, cream, razor, etc. The products you place in the socks can be aimed at a particular gender or age group.

Some contributors chose to place the socks and grooming products in a Christmas stocking or a gift bag. Just use your imagination and have fun. You can also donate socks unfilled or grooming products alone, or non-perishable food items, gently used clothing or toys, or buy a new toy for a child, or make a financial donation. There are so many ways to be involved and each and every way will make a difference. Your simple gift will mean a great deal to someone who has very little or nothing at all. A large majority of the recipients, of these filled socks, will receive no other gift at Christmas.

Please bring your donation by December 3rd, 2018 to the Prince Township Office at [3042 Second Line West](#) or call Leslie [\(705\) 779-2836](tel:7057792836) for pick up.

PRINCE WOMEN'S INSTITUTE NEWS PRINCE VENDORS' MARKET

The Prince Vendors' Market was a new experience for the Prince Women's Institute. We started Sunday, July 8 and we closed on Sunday, September 30, 2018. We had intended to go till the end of October but the weather was not co-operating with us. The last few markets ere extremely damp, windy and cold. We also changed the hours as the vendors themselves wanted a different time schedule. We settled on 11:30 to 4pm. and this seemed to be agreeable. We want to thank our Vendors. There were many selling a huge variety of items such as crafts, jewellery, baking, toys, candles, woodwork, planters, hair care products, fire starters, coffee & tea, jams & pickles and Watkins products. There varied from week to week. We also wanted to "Thank" the shoppers. Some weeks we had many and other weeks we had a few.

We had 2 Special Events one on September 9 and one on September 30. We had free "Hot Dogs" for children and by donation for adults. The hot dogs were donated by Richard Moore and were barbecued by Rob Marshall on both days. We want to say a "Huge Thank You " to these 2 gentlemen – "JOB WELL DONE". This brought in a much bigger group of shoppers to the market. The door price was donated by the Vendors on September 9 was won by Noella Flood and the door prize donated by Prince Women's Institute on September 30 was won by Becky Beal.

Another huge "Thank You" goes out to our Mayor Ken Lamming. He put up and took down all the tables and the chars needed by the vendors for all but 2 of the markets as he was out of town. Councillors Ian Chambers and Dave Amadio came to help in his place. We

want to shout out – "JOB WELL DONE" especially to Ken, Ian and Dave.

September 30 was also "Alzheimer Coffee Break at the Markets. We collected \$59.60 on September 30 and we had previously collected at the Library and the institute \$62.00 making our contribution \$121.60 to the Alzheimer Society.

I want to close on behalf of the Prince Women's Instituted by saying "THANKS TO ALL".

Respectfully
Sandy Fulcher

Each year Prince Township sponsors an award at Sault College. This award goes to a student from Prince attending the College. However, students MUST apply for this award, through the College by November 16, 2018. If you or anyone you know is a student at Sault College, make sure the application goes into the

Scholarship, Bursary and Awards program (online) as soon as possible.

As well, the Prince Township Women's Institute, along with Prince Township sponsor an award at Algoma University. Deadline for the application for Students for this award is October 31, 2018. This is very short notice, but hopefully, as students at the university, you are aware of the deadline.

Congratulations to our own Leslie Cassidy-Amadio who was re-elected to the Huron Superior Roman Catholic School Board. Your existing council enjoyed a stress-free acclamation this election.

Happy Thanksgiving to our American friends and families.

This is just a friendly reminder from your local Fire Department.

- Test your smoke alarms and carbon monoxide detectors and remember to replace the batteries. It could be a life-saver!
- Make sure your furnace or wood stove is in proper working order and check that the chimney is clear of any obstructions.

GAS METER SAFETY

Gas Meter Safety

It's important to keep your natural gas meter and exhaust vents free of ice and snow in winter, and clear of storage boxes, garden tools and vegetation in summer. This helps ensure that gas-fired equipment functions safely and efficiently, and allows Union Gas easy access for accurate meter readings or emergency response.

Indoor heating equipment – your furnace, water heater and thermostat – needs to be accessible too. Please ensure that storage boxes and household supplies are kept well away from indoor appliances so Union Gas or your heating contractor can get at them for emergency service or repairs.

Be sure your pets are secured and not blocking access to your gas meter or equipment during meter reading and service calls. A visiting Union Gas representative can surprise even the friendliest dog and lead to aggressive behavior and bites.
