CAO/CLERK-TREASURER'S REPORT

The second installment of your final 2018 taxes is due on Monday, October 15th. The office will remain open on Wednesday, October 10th, for your convenience.

Summer ended abruptly and the cold weather hit. Therefore, vendors' market, originally scheduled to run until October 28, will be ending on September 30th. Come and join them, as they will be hosting the Alzheimers Coffee Break, a BBQ and a draw.

As you are aware, Aecon has been busy installing the Union Gas lines and hook ups are underway. This has been a long awaited project. The gas is now flowing in all lines serving Prince Township. The remaining work to be done is connecting new customers, which is ongoing now through November. Thank you for your patience and consideration of the workers as the installation took place.

As mentioned in the September newsletter, your current council members have all been acclaimed to their positions. However, don't forget to come out and vote for your school board trustee. The French Separate School Board Trustee has been acclaimed, but there will be an election for the other 3 School Boards. An advance poll will be held in the Municipal Office from 10 am until 6 pm on October 10th, and in the Community Hall on Election Day, October 22nd from 10 am until 8 pm.

On September 19th, Prince Township, in conjunction with one of 'The Great Trail' TransCanada Trail's National Champions, Joanie McGuffin buried a time-capsule funded by TransCanada Trails at the Gros Cap Marina Park. The capsule is to be unearthed on Tuesday, July 1, 2042 at 1 pm. **I hope to see you there.** For a photo and more information on the time capsule see the article here: <https://www.saultstar.com/news/local-news/a-royal-glimpse-at-past>

The office will be closed on October 8th for the Thanksgiving holiday.

"If the only prayer you said was thank you, that would be enough."

Respectfully,

Peggy Greco

tirelessly in the early '80s to bring Prince Township residents their own public library, staffed by volunteers.

To nominate someone, please write the nominee's name on a sheet of paper along with a brief explanation of why you think he or she has earned this award. Place the paper in an envelope marked JOYCE KASCH AWARD and deliver it to the library during open hours.

The 2018 recipient will be announced at the library's Christmas get-together, which takes place early in December.

MAILBOXES

It's hard to believe with the week's weather, but winter is fast approaching. Please check your mailboxes and make sure they are at the standard height to avoid damage from snow removal equipment. Also, ensure that they are reinforced to handle any snow load. Specifications for your mailbox can be found at:
https://www.canadapost.ca/cpo/mc/assets/pdf/personal/rmb_guidelines_e.pdf

The city will only be responsible for mailboxes that their equipment physically damages.

Thank you for your co-operation.

911 SIGNS

Residents are requested to make sure that 911 civic number signs are clear of trees, etc. The sign should be visible by emergency personnel from 100 ft.

COYOTE SIGHTINGS

There has been some sightings of coyotes in the hamlet area. It appears to be hungry and not very timid. Please keep your children and pets safe. Since these are not domesticated animals, it is not in the jurisdiction of our Animal Control Officer, but you should notify her or the office of any incidents. You can contact a trapper if you have any coyotes creating a nuisance. MNR has a list of trappers in the area.

BUILDING PERMITS

Please remember that building permits are required for re-shingling, new windows & doors, siding etc., as well as houses, garages and accessory buildings. Please call the municipal office at 779-2992 ext. 1 if you have any questions or email lorraine@twp.prince.on.ca

Prince Twp. Monthly Newsletters
If you would like the newsletter emailed to you, please email Lorraine at lorraine@twp.prince.on.ca.

"JOY-Full Socks" was launched eight years ago by Leslie Cassidy-Amadio. Last year, over **2800 pairs of socks were donated and shared among 16 different local charities.** We are happy to announce that the campaign will be running again this year.

It's an easy way to get involved in helping those in need. It's as simple as purchasing socks and filling them with grooming products, such as toothpaste, toothbrush, shampoo, soap, cream, razor, etc. The products you place in the socks can be aimed at a particular gender or age group.

Some contributors chose to place the socks and grooming products in a Christmas stocking or a gift bag. Just use your imagination and have fun. You can also donate socks unfilled or grooming products alone, or non-perishable food items, gently used clothing or toys, or buy a new toy for a child, or make a financial donation. There are so many ways to be involved and each and every way will make a difference. Your simple gift will mean a great deal to someone who has very little or nothing at all. A large majority of the recipients, of these filled socks, will receive no other gift at Christmas.

Please bring your donation by December 3rd, 2018 to the Prince Township Office at 3042 Second Line West or call Leslie (705) 779-2836 for pick up.

Halloween safety: Tips for families

Halloween can be a fun and exciting time for kids. These safety tips for parents, children and homeowners will help keep everyone safe and happy this Halloween.

For parents:

- Do not use masks. Masks make it hard for children to see what's around them, including cars. Try a hypoallergenic (less likely to cause an allergic reaction), non-toxic make-up kit instead.
- Make or buy costumes in light-coloured material.
- Place strips of reflective tape on the back and front of costumes, so that drivers can better see your child.
- Costumes should fit properly to prevent trips and falls. Avoid items such as oversized shoes, high heels, long dresses and long capes.
- Dress your child for the weather. Add layers if needed.
- Put your child's name, address and phone number on his costume.
- Children under 10 should be accompanied by an adult for trick or treating. By the age of 10, some children are ready to go trick-or-treating with a group of friends.
- Keep in mind that gum and hard candy can pose a choking risk for young children.

- Remove make-up before bedtime to prevent possible skin and eye irritation.

If your child is going out without an adult:

- Make sure your child is in a group of at least 3 people.
- Give them a flashlight. A cell phone is also a good idea if you have one.
- Discuss in advance the route they should follow. Ask them to call you if they plan to go on a street that isn't on the route.
- Set a curfew (and make sure they have a watch with them).
- Tell your children not to eat anything until they get home.

For children and youth:

- Carry a white bag or pillowcase for your candy, and add some reflective tape.
- Dress for the weather. Cold weather or water absorbent materials in the rain can be very uncomfortable.
- Bring a cell phone, in case you need to make an emergency phone call.
- Always travel in groups. Be sure there are at least 3 of you at all times.
- Let your parents know where you're going to be at all times.

- Don't visit houses that are not well lit. Never go inside a stranger's house.
- Use the sidewalk whenever possible. If there's no sidewalk, walk on the side of the road facing traffic.
- Don't criss-cross back and forth across the street. Work your way up one side of the street, and then start on the other.
- If you have any allergies, tell the person who is giving out the treats.
- Don't eat any of your treats before you get home. Once home, ask your parents to look through your treats with you to make sure everything is okay.

For homeowners:

- Turn on outdoor lights, and replace burnt-out bulbs.
- Remove items from your yard or porch that might trip a child.
- Sweep wet leaves from your steps and driveway.
- Use alternative to candles in your pumpkins, such as a flashlight or a battery-operated candle.
- Remember that some children have food allergies. Consider giving treats other than candy, such as stickers, erasers or a yo-yo.

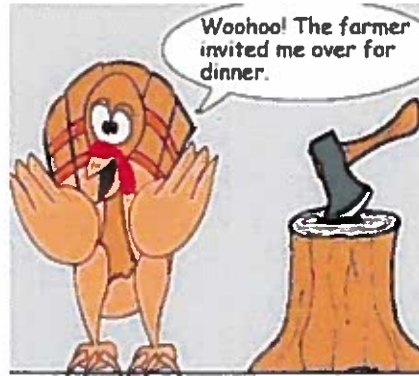

Alternatives to traditional trick-or-treating

- Local community centres sometimes offer Halloween night activities.
- Local shopping centres often have trick-or-treat nights for young children in a more controlled environment.
- Plan a Halloween night at home with themed games and movies. Invite friends.

Help Us Help Them

Creature Comforts

Help make a sheltered animal's day better by supporting our furry friends at the Sault Ste. Marie Humane Society. The Humane Society is in need of toys for dogs, cats, gerbils, hamsters, and rabbits. They also are in need of blankets, pet beds, cat houses, stuffed toys, wood shavings (for small critter cages), treats, and canned pet food. Any old pillows, towels, or blankets you may have are also very valuable to the animals, and can make them significantly more comfortable. Any gift, large or small, for the animals at the Humane Society would make a huge difference. In order to make it convenient, Melissa Reed has placed a donation box by the front entrance of the Prince Township Office at 3042 Second Line West for donations, or you can call Melissa at (705)779-2736 for pick up. The donations will periodically be dropped off at the Humane Society.
