**RE: Minor Variance Application M3-2022; Consent Application C2-2022**

Address: 1328 Airport Road

Author: Stephen Turco, RPP, Borealis Planning Services

**Purpose:** The purpose of this report is to recommend a minor variance, and the consent to sever the subject property, facilitating the creation of one additional lot.

**Analysis:** The subject property is located at 1328 Airport Road, located on the east side of the street, approximately 3 km north of Base Line. The property is approximately 5.17 hectares (12.78 acres) in size, with a frontage of approximately 90.08 metres (295.5') and a depth of 387.09 metres (1269.98'). The subject property contains an existing residential dwelling, which will be on the proposed "retained lot".

**Conformity with the Official Plan:** The subject property is designated Rural Area - Residential - in the Prince Township Official Plan. The Official Plan indicates that "new Rural Area-Residential lots shall be encouraged to conform to a size consistent with existing lots in the area". Both the retained and proposed severed lots will be consistent with the required lot area sizes outlined in the Official Plan. .

**Conformity with Zoning By-law 2015-19:** The subject property is zoned Rural Area - Residential. The by-law requires a lot area of 0.8ha (1.97 acres). Both the retained and severed lots will have a lot area of approximately 2.5 ha (6.2 acres). With respect to lot frontage, the proposed severed lot will have a reduced frontage of 25.08 meters (82.27'). While smaller than lots typically found along Airport Road, given that the size of the proposed severed lot will meet the minimum required lot size, it is recommended that the reduced lot frontage be approved.

**Conformity with Provincial Policy:** Policy 1.1.4.1 Healthy, integrated and viable rural areas should be supported by: a) building upon rural character, and leveraging rural amenities and assets. The proposed variance and consent will be consistent with the Rural Area land use policies and Zoning By-law standards, and as such, will maintain the rural character of the area and Township.

**Recommendation:** "RESOLVED THAT the report dated September 13, 2022 - regarding Application M3-2022, be accepted, and that the requested variance - reducing the required lot frontage for the proposed "severed" lot, from 45.72m (150') to 25.08m (82.27') - be approved; and, that provisional consent is AUTHORISED for the severance and conveyance of the northerly parcel of land, approximately 25.08 metres (82.27") frontage by 387.09 metres (1,269.98') depth, (approximately 2.5ha (6.2 acres)) of 1328 Airport Road, subject to the following conditions which must be, in the opinion of the Clerk-Treasurer, substantially complied with or waived by the party requesting the condition within a one-year period from the date of this Decision, failing which, consent shall be deemed to be refused in accordance with Subsection 41, of Section 53 of the Planning Act, R.S.O., 1990, as amended;

1. **TRANSFER/DEED OF LAND:** That the Clerk-Treasurer is provided with two (2) copies of the “electronic registration in preparation documents”, prior to registration on title. The Certificate of Official must be registered with the “electronic registration transfer. NOTE: Any alterations to the legal description after the Clerk-Treasurer has issued the Certificate will deem the document(s) invalid and must be returned to the Clerk-Treasurer. A new Certificate containing the Registrar approved legal description will have to be endorsed by the Clerk-Treasurer prior to registration of the document(s). An issuance fee will apply.
2. **REFERENCE PLAN/SURVEY PLAN/LEGAL DESCRIPTION:** That the applicant provides Clerk-Treasurer with ten (10) white prints of a deposited plan of reference prepared by an Ontario Land surveyor registered in the Province of Ontario and bearing the seal of the Land Registrar depicting the entire land which conforms substantially with the application as submitted. At least one copy of a plan of reference must Borealis Planning Services 3 illustrate the locations and dimensions of all buildings and structures on the subject property and their distance to property lines.
3. **PIN ABSTRACT:** That a copy of the latest pin abstract accompanies the “electronic registration in preparation documents”.
4. **SEPTIC SYSTEM:** A letter from Algoma Public Health must be submitted to the Clerk-Treasurer indicating that an on-site septic system can be supported on the severed, if new development is proposed.
5. **ON-SITE PROVEN WELL:** Confirmation of an established on-site proven well must be submitted to the Clerk Treasurer prior to final consent, if new development is proposed.
6. **DISCHARGE OF CHARGE/MORTGAGE:** That any Charge/Mortgage affecting the subject property is discharged and a copy of the Discharge of Charge/Mortgage be provided to the Clerk-Treasurer or written acknowledgement that the holder of the Charge/Mortgage is satisfied with the Consent being finalised.
7. **PARTIAL DISCHARGE OF CHARGE/MORTGAGE:** That the Clerk-Treasurer is provided with two (2) copies of the Discharge of Charge/Mortgage documents for the parcel for which the Consent relates to and the Discharge refers to for certification. Certificate of Official must be registered with the Discharge of Charge/Mortgage documents. A Solicitor’s undertaking must be provided to the Clerk-Treasurer undertaking to register the Discharge and to provide the Clerk Treasurer with a copy of the registered documents.
8. **PAYMENT OF MUNICIPAL TAXES:** Prior to final approval, the owner provide to the Clerk-Treasurer confirmation of payment of all outstanding taxes, including penalties and interest, (and any local improvement charges, if applicable).
9. **SOLICITOR’S UNDERTAKING:** An undertaking must be provided to the Clerk-Treasurer undertaking to register this consent within one-year from the date of the Certificate and acknowledging that if the transaction in respect of which the consent was given is not registered within a one year period that the consent will lapse.

10. RECEIPTED ELECTRONIC TRANSFER The applicant must provide the Clerk-Treasurer with a copy of the Receipted Electronic Transfer upon registration of the Transfer and prior to the issuance of any Building Permits.

11. THIS provisional approval does not become effective until the above conditions have been satisfied. ALL conditions must be fulfilled within one year of the date of the giving of the Notice of Decision, failing which this application shall thereupon be deemed to be refused. **To: All Freightliner & Western Star Dealers (US/CAN)**

**Subject: CY22/MY23 Pricing Surcharge Update – Freightliner & Western Star**

Dear Dealer Partners,

As discussed with you yesterday, the continued challenging global and domestic economic conditions have made it necessary for Daimler Truck North America (DTNA) to implement an additional pricing surcharge on all MY23 Freightliner & Western Star trucks (details below). Increases are in addition to the \$2,900 - \$4,500 Total MY23 Surcharge announced in December 2021 for CY22/MY23 units.

This new surcharge will be applied on CY22 units with a schedule build date starting May 30<sup>th</sup>, 2022. Units with a schedule build date on or before May 29<sup>th</sup>, 2022 are price protected and will not be impacted by the newly updated surcharge.

DTNA is committed to release MY24 Pricing in Q3/2022.

**Below are the updated Model Year 2023 Pricing Surcharge Details:**

*Values in USD*

- Total MY23 Surcharge is in addition to all previous CY22 Surcharges announced by DTNA including FCCC for the Tire Surcharge, DD13 Gen 5, CARB22, Standard Destination & Freight, etc.

### Order Cancellation Guidelines:

- Entire backlog beginning 05/30 is cancellable until April 29<sup>th</sup>, 2022 (program and concession). This includes units inside the standard 90 day window from schedule build date.
- After April 29<sup>th</sup>, 2022 standard cancellation policies apply:
  - Program trucks are non-cancellable.
  - Cancellations will only be accepted outside of 90 days from schedule build date.
  - Q3 cancellations required by 5/31, Q4 cancellations required by 7/1.
  - All reorders required by 7/1 (CY22 closeout date).
  - Plans must be modified to reflect all cancellations and reorders.

An AAP, however, cannot remain anonymous. Information received anonymously will be reviewed in order to determine if an investigation is warranted.

If you believe that a violation has taken place, report the situation promptly to the Township's highest ranking officer (CAO/Clerk-Treasurer). Where the alleged perpetrator is the Township's highest ranking officer, all of Council, or a member of Council, you may report the situation to the Township's legal counsel:

It is a violation of this Policy to discipline or punish an individual because they have made a report in good faith of any violation of the Policy. Reprisal may be the subject of a report under this Policy, and individuals engaging in reprisal are subject to disciplinary measures, up to and including termination of employment.

#### **4.3. Malicious Reports**

### **5. Investigations**

All reports of violations of this Policy will be promptly investigated in a manner appropriate in the circumstances.

If necessary, the Township may employ outside assistance or consult with the Township's legal counsel. When the Township's legal counsel is assisting the Township's Clerk, CAO or another Worker, their role is to assist the Township and not any particular individual.

Out of respect for the relevant individuals, it is essential that the Complainant, Respondent, witnesses and anyone else involved in the investigation of a complaint maintain confidentiality throughout the investigation and afterwards. Workers are required to maintain confidentiality with respect to the investigation. Breach of confidentiality may result in discipline up to and including dismissal.

### **5.4. Investigation Records**

All records related to meetings, interviews or any part of the investigation will be treated as confidential and shall not be disclosed, except as required by law. All records shall be maintained per the Township's Retention By-Law.

## **6. Assessing the Risks of Workplace Violence**

The Township will conduct a risk assessment of the work environment to identify any issues related to potential violence that may affect the operation, and will institute measures to control any identified risks to Worker safety. This assessment will take into account:

- (a) circumstances that would be common to similar Workplaces;
- (b) circumstances specific to the Workplace; and
- (c) any other elements prescribed by applicable legislation.

### **6.1. Communicating the Assessment's Results**

Upon completion of the assessment, the Township will advise the joint health and safety committee or safety representative, if any, of the results of the assessment and provide a copy if the assessment is in writing. If there is no joint health and safety committee or safety representative, the Township will advise Workers of the results of the assessment and, if the assessment is in writing, provide copies on request or advise Workers how to obtain copies.

## **6.2. Reassessment**

The Township will reassess the risks of Workplace Violence as often as is necessary, but at least annually, to ensure that this Policy continues to protect Workers from Workplace Violence.

This Policy covers Workplace Violence and Workplace Harassment. Customers, clients, contractors or their workers and other members of the public invited to the Workplace could engage in Workplace Violence or Workplace Harassment against a Worker.

## 10. Policy Information and Training

The Township will ensure all Workers and Officials have read this policy and sign an acknowledgment of same in substantially the form attached to this Policy. Training to enhance understanding of how to prevent and respond to harassment will be conducted by the Township at least annual as part of the Policy review. Dear Prime Minister Trudeau and Minister Gould:

**Re: Town of Aurora Council Resolution of May 24, 2022**  
**Motion 10.1 - Councillor Humfries; Re: Private Member's Bill C-233 "Keira's Law"**

Please be advised that this matter was considered by Council at its meeting held on May 24, 2022, and in this regard, Council adopted the following resolution:

**Whereas violence against women is a Canadian public health crisis that demands urgent action; and**

**Whereas one in four women experience domestic violence in their lifetime. One woman or girl is killed every other day, on average, somewhere in our country; and**

**Whereas the most dangerous time for a victim of abuse is when she separates from her partner. According to research from the U.S. Centre for Disease Control and Prevention, when there is a history of coercive control, violence and a recent separation, a woman's risk of domestic homicide goes up 900 times; and**

**Whereas the current Canadian court system is not equipped to protect women. According to the National Judicial Institute, there is no mandatory education for Judges on domestic violence. Judges need education on what constitutes domestic violence or coercive control. A formal education program would ensure**

**another line of defense for victims, as well as preventing violence and abuse before it happens; and**

**Whereas the COVID-19 pandemic has only exacerbated the domestic violence crisis. Women's shelters and crisis centres have reported a marked increase in requests for services this year. The concerns for children are significant. According to recent research from The Children's Hospital of Eastern Ontario, doctors have seen more than double the number of babies with serious injuries as this time last year. These include head injuries, broken bones or in some cases death. Institutions across the country are reporting a similar trend; and**

**Whereas, according to Article 19 of the UN Convention on the Rights of the Child, children must be protected from "all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s) or any other person who has care of the child." Our current family justice system often fails our children in this regard; and**

**Whereas, in worst case scenarios, children are killed by a violent parent. As reported by the Canadian Domestic Homicide Prevention Initiative, recent separation and domestic violence are the two biggest risk factors for domestic violence related child homicides; and**

**Whereas custody disputes are an additional risk factor. Each year in Canada, about 30 children are killed by a parent. Mothers are responsible about 40 per cent of the time, often due to postpartum depression or mental illness. In the 60 per cent of cases where fathers are the murderers, anger, jealousy or post-separation retaliatory revenge are the usual motivations; and**

**Whereas Keira's Law is named after four-year-old Keira Kagan, who was killed while in the custody of her father, in 2020; and**

**Whereas many cases of domestic violence are inappropriately labelled as "high conflict" in the family court system. According to research by Rachel Birnbaum, a Social Work Professor at the University of Western Ontario who specializes in child custody, approximately one third of cases called "high conflict" by the court had substantiated evidence of valid concerns about domestic violence. Dear Mayor and Council:

I am writing to you about the proposal to drastically change Northern Ontario's electoral districts. The Federal Electoral Boundaries Commission for Ontario has proposed to **consolidate 10 electoral districts into nine** and expand the borders of the remaining ridings.

**Northern Ontario's 10 MPs, including the Sault's Terry Sheehan, come together across party lines** to oppose a plan to reduce the number of federal ridings in the North to nine. MP Sheehan said he's not pleased with the process the commission has followed, especially its recommendation to reduce the voice of Northern Ontario.

Sheehan said all Northern Ontario MPs recently participated in a telephone discussion about the recommendations and are currently drafting a letter that will be forwarded to all municipal councils, reeves and First Nations chiefs asking them to voice their displeasure with the proposed recommendations.

The proposal as it stands now calls for the elimination of the Algoma riding, the riding once held by Prime Minister Lester B. Pearson. Axing it would not only weaken the North's voice, Nickel Belt MP Marc Serré said, it would also eliminate a riding that has some historic significance.

MP Carol Hughes, who has represented the Algoma—Manitoulin—Kapusksasing riding since 2008, said: "I'm working with all parties, all the MPs here from the different parties in the north, and we are all on the same page," she said. "We are going to fight this."

Hughes said losing an MP would make it more difficult to coordinate services and get funding to address access issues in the region's many rural areas, which struggle to meet their needs already due to their large geographic area. That would mean losing millions in funding that each district receives every year, she said, including for the Canada Summer Jobs program.

Hughes said: "It's very problematic for us to lose a voice here in northern Ontario .... In the bigger centres, they have access to public transportation, they have access to reliable internet, they have access to cell service that actually works compared us here in the north."

Serré said Northern Ontario MPs are calling on mayors, councillors, community groups, community leaders and concerned citizens to push back against the proposed redistribution.

**The deadline for written submissions is Sept. 25.** Public hearings (there will only be one for Northern Ontario; held in Timmins on Oct. 11) begin on Sept. 26 and run to Oct. 29.

**I am urging Prince Township Council to immediately reach out to the other members of FONOM** to urge them to jointly protest the proposal to reduce the number of ridings in Northern Ontario. I believe that every voice counts and that there is no time to lose.

I have enclosed a list of recent media items on this topic, in reverse chronological order. Please contact me if you require my assistance.

Regards,

Rose Zgraja

# PRINCE'S SHAKESPEARE COMPANY

August 16, 2022

## OVERVIEW

### 1. Project Background and Description

**i** I am a Prince Township residence who would like to organize a grassroots, homeschool based, Shakespeare company for homeschool parents and children of all ages.

I am a homeschool mother with a love of Shakespeare. I would like to have my children and other parents and children participate in drama, and getting back to laughing and gathering with others like to put on a show. Currently there are few opportunities for homeschool children to gather for acting, exploring the roles posed in Shakespeare, and diving into the great plays. This 'company' of homeschools would be from Prince and the surrounding areas. I would like to have this at no-cost for all families (I would not be charging any fee to participate).

### 2. Project Scope

**i** Start Date: Late October. Thursday's, 1-3

Group Demographics: All ages would be in the building, actors would be anyone that can read. All parents would be always responsible for their children.

Number of Participants: I anticipate 2-5 families attending.

Other considerations: Snacks and drinks [mostly for littles], basic costumes, and play toys for babies not participating would be brought in. Technology may be brought into watch each Act on a computer before performing.

### 3. Request

**i** I am asking for the Prince Committee to consider allowing our Company access to the hall 1 time per week for 2 hours for five weeks (1 Act per week to be performed) at no fee. Specifics: the use of the hall 1 x per week, in late October, for five weeks. The use of chairs and tables would be required. We would clean up after ourselves and ensure anything that goes into the hall comes out of the hall and all chairs and tables to be put away.

To Whom It May Concern;

The Federation of Northern Ontario Municipalities (FONOM) is the unified voice of Northeastern Ontario, representing and advocating on behalf of 110 cities, towns and municipalities. Our mission is to improve the economic and social quality of life for all northerners and to ensure the future of our youth.

As President of FONOM, I want to commend the Commission for adding Indigenous Representation to the Redistribution Plan for Northern Ontario. But I want to share some of my concerns about the Redistribution plan's negative impacts on Northern Ontario. Currently, Northern Ontario has ten Electoral Districts, with the proposed plan reducing that number to eight. ***FONOM would ask that the Commission retain the current ten Electoral Districts as they are today, plus the planned Indigenous Representation!***

Geographically Northern Ontario is quite large. The distance from North Bay to the Manitoba border is 1623 kilometres (the distance from North Bay to Charlottetown is 1693 Kilometres). Your research shows you that the existing ridings are large already. Currently, the Members have a difficult job fairly representing their constituents. The MPs do an admirable job and represent Canada well, but we believe the new alignments will make their efforts even more difficult. ***FONOM would ask that the Commission retain the current ten Electoral Districts as they are today! Especially in the Northeast as any redistribution will divide our established First Nations, Francophone, and Municipal Associations.***

We are also concerned that the planned consultation for Northern Ontario is only in Timmins and virtual. I have real concerns with only one in-person consultation session for a region of the province this realignment covers. This vital consultation is also coinciding with a Municipal Election. As a Municipal Politician running for re-election, I believe that very few individuals will take the time away from campaigning to drive to Timmins for the session on October 11th. The Northern Ontario session is also happening in the middle of the Hunting Season. The timing of the Commission's consultation highlights a further lack of understanding for our part of Ontario. ***FONOM recommends you increase and extend the consultation in Northern Ontario until January 2023!***

Also, I want to mention the Redistribution website is very hard to navigate. We believe anyone using the site to find the impacts on their community would be hard-pressed to get the information they seek. For your information, several web design firms are using focus groups of fifty- and sixty-year olds to beta test interactive websites to ensure their product is user-friendly. ***FONOM would recommend to the Commission that they ensure they improve upon this platform for the next realignment in 2032.***

Thank you.

**Whereas** the Township of Coleman has been represented by the Member of Parliament for Nipissing-Timiskaming since 2003; and

**Whereas** the Federal Electoral Boundaries Commission for Ontario has proposed the elimination of one Riding in Northern Ontario and a redistribution of the remaining Electoral Ridings; and

**Whereas** the Township of Coleman and other municipalities in the South Temiskaming area would be part of a newly created Electoral Riding known as Cochrane-Timmins-Timiskaming; and

**Whereas** the population of the existing Riding of Nipissing-Timiskaming meets the population requirements to maintain the Federal Riding; and

**Whereas** the communities that comprise the current Electoral Riding of Nipissing-Timiskaming form a geopolitical entity that would be fragmented by the Federal Electoral Boundaries Commission for Ontario's proposal; and

**Whereas** this fragmentation would diminish and reduce access to Federal representation for the residents of the Township of Coleman; and

**Whereas** there is potential for the Province of Ontario to adopt the Federal electoral boundaries to establish Provincial electoral boundaries, which would repeat the negative effects on Provincial representation for the people and communities in Northern Ontario; and

**Whereas** the ability to effectively represent diverse, small, rural communities continues to be eroded with the loss of Electoral Ridings in Northern Ontario.

**Now therefore** be it resolved that the Corporation of the Township of Coleman hereby petitions the Federal Electoral Boundaries Commission to withdraw the proposal to eliminate a Federal Riding in Northern Ontario; and

Dear Solicitor General Kerzner:

### **Re: Mandatory Firefighter Certification**

The Ontario Government has been making great improvements to the legislation which governs the manner in which municipalities conduct their business. One such piece of legislation is the *Fire Protection and Prevention Act, 1997* and particularly, the requirements for firefighter certification.

While the Town of South Bruce Peninsula supports, in principle, the updates to requirements for volunteer and full-time fire service professionals, we must provide our comments in order for the Province to understand the great burden that the regulations will place on municipalities. Council discussed this issue at their regular Council meeting held on August 2, 2022 and adopted resolution R-296-2022 directing that you are contacted for assistance.

Smaller municipalities such as ours, are not fortunate enough to have full-time firefighters. Our emergency personnel are all volunteers with the exception of our Fire Chief who is a full-time employee and our Deputy Fire Chief who is a part-time employee. It is difficult for our volunteers to dedicate the time to obtaining full certification in the manner legislated, as the fire service is not their primary employment. We have found that the average retention period for volunteers is three to five years meaning that once fully trained, most of our volunteers would leave the service or may even leave the service before they are fully trained and certified.

As you can imagine, this places a huge financial burden on our taxpayers as the certification is an additional cost which is funded wholly from the tax base. No grant funding or other financial assistance has been offered from the Province.

We are under the understanding that the Association of Municipalities of Ontario, many municipal governments and the Fire Chiefs across Ontario have raised concerns regarding the legislated requirements for certification. We are respectfully requesting that meaningful consultation and collaboration with the commenting parties takes place

We look forward to hearing from you and to discussing our position on this important matter with you further.

### 41. Notice of Motion – Mayor Jackson - Mandatory Firefighter Certification

Manager of Emergency Services/Fire Chief Wilson explained that the regulation was passed and only slightly amended. The financial burden is quite large to municipalities. The average retention of a fire fighter is 3-5 years. In order to become fully trained, it would take 3 years.

Dear Premier Ford:

**RE: Town of Kingsville Council Resolution #336-08292022 in opposition to  
Bill 3, Strong Mayors, Building Homes Act, 2022**

---

At its Special Meeting held August 29, 2022 Council of The Corporation of the Town of Kingsville passed a Resolution against Bill 3 as follows:

**Resolution #336-08292022**

Moved by Councillor Kimberly DeYong

Seconded by Councillor Laura Lucier

**"WHEREAS** the Government of Ontario, through the Minister of Municipal Affairs and Housing, has introduced Bill 3 which is described as "An Act to amend various statutes with respect to special powers and duties of heads of council";

**AND WHEREAS** this Bill, if enacted, will initially apply to the City of Toronto and City of Ottawa, but will later be expanded to include other municipalities according to a statement made by the Premier at the 2022 AMO annual conference;

**AND WHEREAS** this Bill, if enacted, will give Mayors additional authority and powers, and correspondingly take away authority and powers from Councils and professional staff, and will include giving the Mayor the authority to propose and adopt the Municipal budget and to veto some decisions of Council;

**AND WHEREAS** this Bill, if enacted, will give authority over professional staff to the Mayor, including that of the Chief Administrative Officer;

**AND WHEREAS** these changes will result in a reduction of independence for professional staff including the CAO, who currently provide objective information to the Council and public and will now take direction from the Mayor alone when the Mayor so directs;

**AND WHEREAS** these are surprising and unnecessary changes to the historical balance of power between a Mayor and Council, and which historically gave the final say in all matters to the will of the majority of the elected Council.

**THEREFORE**, this Council of the Town of Kingsville, passes this resolution to petition the Government of Ontario that:

1. These changes to the *Municipal Act, 2001*, are unnecessary and will negatively affect the Town of Kingsville;
2. That if the Ontario Government deems these changes necessary in large single-tier municipalities such as Toronto and Ottawa, that such changes should not be implemented in smaller municipalities;
3. That the Ontario Government should enact legislation clarifying the role of Mayor, Council and Chief Administrative Officer, similar to those recommended by the Ontario Municipal Administrator's Association and those recommended by Justice Marrocco in the Collingwood judicial inquiry of 2020; and
4. That if the stated goal of this legislation is to construct more housing in Ontario that this can be accomplished through other means including amendment of the *Planning Act* and funding of more affordable housing.

Council further directs the Clerk to ensure that a copy of this resolution be provided to the Premier of Ontario, the Minister of Municipal Affairs and Housing, the "Standing Committee on Heritage, Infrastructure and Cultural Policy", Kingsville's MPP, the Association of Municipalities of Ontario, and other Municipalities in Ontario."

*WHEREAS the Town of East Gwillimbury is Canada's fastest growing municipality (with more than 5,000 residents) according to 2021 Census Canada data; and*

*WHEREAS the Council of the Town of East Gwillimbury has significant concerns regarding the impact of Bill 109 on the community planning process, and the ability of municipalities to deliver on initiatives to address housing supply and attainability, and*

*WHEREAS the refund provisions in Bill 109 will result in existing taxpayers subsidizing development applications as well as lost revenue and increased staff costs for municipalities; and*

Dear Premier Ford:

### **Re: Physician Shortages in Ontario**

Ontario has one of the most revered health care systems in the world. The residents of Ontario have been fortunate to have access to medical professionals from all branches of the medical field.

Our Province continually monitors the needs of its citizens and strives to make progressive changes to continue to meet the needs of Ontarians. Evidence of this progressive action on the part of the government was the identification of the shortage of Personal Support Workers. Recognizing the vital role that they play in health care, the Province supported Ontario colleges in providing free tuition for students who agreed to study for and become Personal Support Workers. We applaud the Province for this progressive action.

Like many municipalities, we have noticed that as each year goes by, we begin to see fewer physicians. The shortage is becoming alarming as we hear daily that many people are without a physician and do not have access to a primary medical care giver. The shortage of physicians is reaching our hospital emergency rooms as many in our rural communities are forced to close periodically as there are no physicians to staff them.

Another issue which is exacerbating the physician shortage is the limited spaces available in Canadian Universities for medical school and in residency programs. Increases to the number of students who are accepted could go a long way to ensure that more students graduate and become contributing physicians in our communities.

A third issue that causes concern is the seemingly onerous process for foreign and international physicians to become accredited to practice in Ontario. We have had interactions with individuals who have come to our community and are accomplished physicians but are not able to practice in Ontario as they at times cannot afford the cost for accreditation and in other instances, the process is quite lengthy meaning that they must take other positions, outside of their field, thus wasting their talent.

## TOWN OF SOUTH BRUCE PENINSULA

The Town of South Bruce Peninsula has seriously contemplated all of these issues and has taken steps to address the shortage experienced in our community. Council has monetarily supported a local Physician Recruitment Committee and has held money in reserves to assist with the hiring of a recruiter and to be used to assist new physicians requiring funds to set up an office and find housing.

We are reaching out to you to ask for your assistance in addressing the physician shortage. We would like to see subsidy opportunities for students who commit to becoming practicing physicians and would expect that the Province would put protective measures in place to ensure that students receiving funding commit to practicing in Ontario. We would support an expedited accreditation process for foreign physicians. We would encourage the increase of additional student spaces in medical school and residency programs.

The Town of South Bruce Peninsula is not alone in its convictions to address the physician shortages. We welcome you to contact us directly to have conversations about how all levels of government can work together to end this shortage.

Yours very truly,

Mayor Janice Jackson

## Excerpt from Council Meeting Minutes – July 19, 2022

### 23. Notice of Motion – Mayor Jackson – Physician Subsidy

Mayor Jackson explained the meeting with the Physician Recruitment Committee and how a retired recruiter is willing to help the Committee but that we need to support medical students. The motion would be forwarded to the Minister, the Premier, the Prime Minister and all Ontario municipalities.

Discussion included the closing of hospital ERs, people without family doctors, the difficulty for professionals to obtain accreditation to work in our Province, having levels of accreditation to relieve pressure, community health models including nurse practitioners, ideas that the recruiter has and how she recruited 77 doctors.

#### R-266-2022

It was **Moved** by J. Jackson, **Seconded** by K. Durst and **Carried**

**Whereas** the Province of Ontario and particularly rural areas such as South Bruce Peninsula, are experiencing a severe shortage of physicians, leaving many people without access to medical care;

**And whereas** when the Province of Ontario realized the shortage of Personal Support Workers, they took progressive action to support Ontario colleges to provide free tuition for students who agreed to enter into this field of study and work;

**And whereas** it is recognized that the education costs for a physician can be a deterrent for students contemplating entering the medical field;

**And whereas** the Town of South Bruce Peninsula has taken steps to support the recruitment of physicians by earmarking money to hire a recruiter, by monetarily supporting a recruitment Committee and by providing money for new physicians to use to set up office space and for housing;

**Now therefore** be it resolved that the Town of South Bruce Peninsula respectfully requests that the Province of Ontario and Government of Canada recognizes that the shortage in health care workers is not unique to Personal Support Workers but is also relevant to physicians including specialists and general practitioners;

**And that** in order to support Ontario municipalities and their residents, the Provincial and Federal Governments take steps to provide support and subsidy to students entering

medical school with the intention of becoming practicing physicians in the Province of Ontario and particularly in underserviced rural and northern municipalities;

**And that** the Provincial and Federal Governments work with Canadian universities to increase the number of students accepted into medical school and residency programs;

**And that** the Province expedites the accreditation process for foreign medical practitioners ;

**And further that** the Town of South Bruce Peninsula supports whatever protective measures the Provincial and Federal Governments place on the subsidy given to ensure that the students receiving the funding become practicing physicians in the Province of Ontario.
