### LABOUR DAY HOLIDAY

Please note that the Prince Township Office will be **closed on Monday September 5<sup>th</sup>, 2022.**

### HOLIDAY GARBAGE

As a result of the Sept. 5<sup>th</sup> Labour Day Holiday, garbage pick up will be one day late.

Please have your cart out **at the end of your driveway** by 7 am.

Please do not put your garbage out the night before. Animals get into the garbage and spread the garbage into nearby properties. Please have respect for your neighbours.

### RECYCLING COLLECTION

Your recycling will be picked up every two weeks. Sept. 1, 15, 29.

Please have your cart out **at the end of your driveway** by 7 am.

### Prince Twp. Monthly Newsletters

If you would like the newsletter emailed to you, please email Lorraine at [deputyclerk@twp.prince.on.ca](mailto:deputyclerk@twp.prince.on.ca).

**COMING SOON!**

Hope you all have a happy and safe Labour Day weekend!

### BIG THANK YOU TO OUR SUMMER STUDENTS

**Olivia, Grace, Maria, Fischer, Ethan,  
Benjamin and Chase.**

Job well done! Good luck in the year ahead.

### BURNING PERMITS

Anyone wishing to burn must go to our website [princetownship.ca](http://princetownship.ca) to retrieve the fire permit form. Please fill out the form and press submit.

You can send your e-transfer's to [deputyclerk@twp.prince.on.ca](mailto:deputyclerk@twp.prince.on.ca) or drop by the office to purchase your fire permit.

Please use **firepermit** as the e-transfer password.

**It is your responsibility to make sure there are no fire restrictions before you burn.**

**Remember burning without a permit,  
will result in a fine**

**VoterLookup.ca**

MPAC is legislatively responsible for collecting occupant information (name, date of birth, citizenship and school support) for municipal, District Social Services Administration Boards and school board elections, and keeping up-to-date population figures for every municipality in Ontario.

One of the ways we collect this information is through [voterlookup.ca](http://voterlookup.ca). By logging into [voterlookup.ca](http://voterlookup.ca), Ontarian's can add their name or the names of others in their household to our database, confirm or update their electoral information and change their school support.

We use this information to create a Preliminary List of Electors, used by municipalities to produce the final Voters' List for municipal elections, as well as population reporting for various municipal and school board planning purposes. To add or confirm your information for future elections, and help improve the accuracy of population reports, please visit [voterlookup.ca](http://voterlookup.ca).

## A message from your Emergency Management Team

### Vulnerable Citizens Registry

At the April 14, 2020 council meeting Council approved a confidentiality agreement with the Sault Ste. Marie Innovation Centre that will see the township's municipal office become a registration location for the Vulnerable Persons Registry (VPR).

The township office will distribute VPR registration kits and provide secure storage for the completed application and consent forms to ensure that personal information remains confidential. The office will then mail the forms in sealed envelopes to the Innovation Centre's VPR Coordinator at 99 Foster Dr.

If you or a loved one in your home have a disability or have special needs, or if you care for a family member suffering with Alzheimer's or Dementia, please consider registering with

our Vulnerable Citizens Registry. Help us to help you during an emergency.

For more information or to register email us at the municipal office,  
[deputyclerk@twp.prince.on.ca](mailto:deputyclerk@twp.prince.on.ca) or [cemcprince@gmail.com](mailto:cemcprince@gmail.com) or you may call 705-779-2992

### 911 SIGNS

Residents are requested to make sure that 911 civic number signs are clear of trees, etc. The sign should be visible by emergency personnel from 100 ft.

## PRINCE TOWNSHIP BUILDING PERMITS

Permits ensure that construction within the municipality meets with standards set out in the Ontario Building Code. No matter what the specific project may be, the enforcement of codes is carried out to protect public health, safety and welfare. Compliance with municipal by-laws such as the Zoning By-law is also evaluated during the review process.

### Building permits are typically required for the following:

- New buildings
- Additions
- Renovations or alterations
- Demolitions
- Prefabricated structures
- HVAC systems (heating, ventilation, air conditioning)
- Miscellaneous for residential (pools, fireplaces, decks, fences, etc.)
- Temporary buildings
- Installing new windows and exterior doors
- Installing new shingles or metal roofing
- Installing new cladding (siding, stucco, etc.)

To be sure, contact the Building Division at 705-759-5398 or email [building@cityssm.on.ca](mailto:building@cityssm.on.ca), describe the work to be done and investigate what the requirements are.

If your questions cannot be answered over the phone or email, you can show your proposal to the Building Division staff at the Civic Centre - Level 5. They are always ready and willing to help!

## Taking the School Bus

### How to prepare your child for the school bus

Most mishaps take place outside the bus, so here are some precautions you can take:

- Don't let your children arrive at the stop too early. They may be tempted to wander or get into mischief.
- Make sure they know what to do if they miss the bus: come back home; or if at school, report to a teacher – and never, never accept a ride from a stranger.
- If the stop is a long way from home, plan and discuss with your children where they can go in an emergency.
- If it is dark on the way to or from the bus, make your children visible. Use retro-reflective tape on their clothing and avoid dark colors.
- Make sure they wait well away from the roadway and stay well back until the bus has come to a full stop and the door opens.
- Explain they must walk at least three metres (10 feet) away when crossing in front of the bus so the driver can see them.
- Forbid running, pushing and horseplay!
- Tell your children to come straight home from the bus no detours.

Our Prince Twp. Volunteer Fire Dept. use green flashing lights in their personal vehicles when they are responding to the fire hall for an emergency. If you see a vehicle with a **green flashing light** please yield the right of way.

## POWER OUTAGE SAFETY TIPS

To reduce the risk of fire during a power outage, the Prince Township Volunteer Fire Department has the following safety tips for our residents:

- **Make sure your home has battery-operated smoke alarms and carbon monoxide alarms.** Electrically-connected smoke and carbon monoxide alarms will not work when the power is out unless they have battery back-ups.
- **Develop and practice your [Home Fire Escape Plan](#).** Make sure everyone understands the sound of smoke and carbon monoxide alarms and knows what to do when a fire occurs.
- **Use flashlights or battery-operated lanterns instead of candles or hurricane lamps.** If using candles, place them in a secure holder and cover them with a glass chimney, away from children and pets.
- **Propane and charcoal barbeques are for outdoor use only.** Do not bring them inside.
- **Purchase generators with recognized, approved labels.** Make sure the unit has proper connection receptacles and circuit breakers.

**Portable generators should only be used outdoors and carefully located so that exhaust fumes do not enter the home.** Allow the generator to cool before refueling and ensure that refueling takes place outdoors, following manufacturer's instructions. Store fuel outside the home in approved containers.

- **Use only portable space heaters that have been designed for indoor use and follow the manufacturer's instructions.**
- **Make sure electric stove elements and small appliances are OFF or unplugged** to prevent fires from occurring when the electricity is restored.
- **Cordless phones will not work when the power is out**, so have at least one phone that does not require electricity to operate.
- **Use extreme caution during flood emergencies and power outages.** Electrical equipment impacted by flood water can be extremely dangerous. For more important information about electrical safety during floods, please visit the [Electrical Safety Authority](#) website.
- Further information on emergency preparedness, visit the [Emergency Management Ontario](#) website.
